DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree and Stipulation of Settlement and Order of Dismissal Under the Comprehensive Environmental Response, Compensation and Liability Act

Notice is hereby given that on September 30, 2002, two proposed settlement agreements were lodged with the United District Court of the Northern District of Indiana in the matter of *United States v. American Standard, Inc. et al.*, Civil No. 3:01CV0513RM. One proposed agreement is titled "Consent Decree with Perma-Fix Environmental Services of Michigan" ("Consent Decree") and the other is titled "Stipulation of Settlement and Order of Dismissal Between United States and LTV Steel Company" ("Stipulation of Dismissal").

In its Complaint, the United States sought to recover response costs incurred by the United States in connection with the Four County Landfill Site in Fulton County, Indiana (the "Site"). The complaint alleges that the United States undertook response actions as a result of releases or

threatened releases of hazardous substances at the Site, and that Perma-Fix Environmental Services of Michigan ("Perma-Fix") and LTV Steel Company, Inc. ("LTV"), among other named defendants, were jointly and severally liable for the costs of such response actions.

Under the proposed Consent Decree, Perma-Fix will pay \$153,585 to the Hazardous Substances Superfund as partial reimbursement of response costs that the United States paid in connection with the Site through April 30, 2002. Under the proposed Stipulation of Settlement, LTV has agreed to the entry of judgment against it for \$63,389 in settlement of the United States' claims for recovery of response cost that the United States paid in connection with the Site through April 30, 2002. Since LTV filed a voluntary petition for bankruptcy in the Northern District of Ohio in December of 2000, which was docketed as *In Re LTV Steel Company, Inc.*, Bankruptcy No. 00-43866, the Stipulation of Settlement must be submitted to the bankruptcy court or approval pursuant to Bankruptcy Rule 9019. Under the terms of the Stipulation of Settlement, the United States shall be allowed a general unsecured claim for the agreed judgment amount of \$63,389. Only the amount of cash received by EPA on its general unsecured claim shall be credited by EPA to the Hazardous Substance Superfund.

The Department of Justice will receive, for a period of 30 days from the date of this publication, comments relating to the proposed Consent Decree and the proposed Stipulation of Settlement.
