Issuer Delisting; Notice of Application of FFP Marketing Company, Inc. to Withdraw its Common Shares, \$.01 par Value, From Listing and Registration on the American Stock Exchange LLC File No. 1-13727

October 18, 2002.

FFP Marketing Company, Inc., a Texas corporation ("Issuer"), has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to section 12(d) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 12d2-2(d) thereunder,² to withdraw its Common Shares, \$.01 par value ("Security"), from listing and registration on the American Stock Exchange LLC ("Amex" or "Exchange").

The Issuer stated in its application that it has met the requirements of Amex Rule 18 by complying with all applicable laws in effect in the State of Texas, in which it is incorporated, and with the Amex's rules governing an issuer's voluntary withdrawal of a security from listing and registration.

The Board of Trustees ("Board") of the Issuer approved resolutions on September 26, 2002 to withdraw the Issuer's Security from listing on the Amex. In making its decision to withdraw the Issuer's Security from the Exchange, the Board notes the low number of stockholders of record results in a disproportionately high cost associated with being publicly traded, the extent and nature of trading in the Security is erratic and thin, and the burden on the Issuer's resources due to the costs associated with maintaining the listing requirements for its Security.

The Issuer's application relates solely to the Security's withdrawal from listing on the Amex and from registration under section 12(b) of the Act³ and shall not affect its obligation to be registered under section 12(g) of the Act.⁴

Any interested person may, on or before November 8, 2002, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549-0609, facts bearing upon whether the application has been made in accordance with the rules of the Amex and what terms, if any, should be imposed by the Commission for the protection of investors. The

Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁵

Jonathan G. Katz,
Secretary.

The Application seeks approvals relating to the proposed merger of CECo and E&H. Applicants state that the proposed merger is one element of Unitil's restructuring proposal under the New Hampshire Electricity Restructuring Law (codified as RSA 374-F). By merging E&H into CECo, the Applicants state that they will simplify the corporate structure of Unitil's holding company system and achieve cost efficiency and service quality improvements.

CECo is regulated as a public utility in New Hampshire.
