

**DEPARTMENT OF THE INTERIOR****Fish and Wildlife Service****50 CFR Part 20**

RIN 1018-AI30

**Migratory Bird Hunting; Late Seasons  
and Bag and Possession Limits for  
Certain Migratory Game Birds***Correction*

In rule document 02-23804 beginning  
on page 59358 in the issue of Friday,

September 20, 2002 make the following  
correction:

Starting on page 59361 and  
concluding on page 59384 the text  
should read as follows:

Note: The following annual regulations provided for by §§ 20.104, 20.105, 20.106, 20.107, and 20.109 of 50 CFR part 20 will not appear in the Code of Federal Regulations because of their seasonal nature.

CHECK STATE REGULATIONS FOR ADDITIONAL RESTRICTIONS AND DELINEATIONS OF GEOGRAPHICAL AREAS. SPECIAL RESTRICTIONS MAY APPLY ON FEDERAL AND STATE PUBLIC HUNTING AREAS AND FEDERAL INDIAN RESERVATIONS.

2. Section 20.104 is amended by adding the entries for the following States in alphabetical order to read as follows:

§ 20.104 Seasons, limits, and shooting hours for rails, woodcock, and common snipe.

Subject to the applicable provisions of the preceding sections of this part, areas open to hunting, respective open seasons (dates inclusive), shooting and hawking hours, and daily bag and possession limits for the species designated in this section are prescribed as follows:

Shooting and hawking hours are one-half hour before sunrise until sunset, except as otherwise restricted by State regulations. Area descriptions were published in the August 23 and September 19 Federal Registers.

NOTE: The following seasons are in addition to the seasons published previously in the August 29, 2002, Federal Register (67 FR 55624).

(1) The bag and possession limits for sora and Virginia rails apply singly or in the aggregate of these species.

(2) All bag and possession limits for clapper and king rails apply singly or in the aggregate of the two species and, unless otherwise specified, the limits are in addition to the limits on sora and Virginia rails in all States. In Connecticut, Delaware, Maryland, and New Jersey, the limits for clapper and king rails are 10 daily and 20 in possession.

\* \* \* \* \*

(4) In Massachusetts, the sora daily limits are 5 daily and 5 in possession; the Virginia rail limits are 10 daily and 10 in possession.

\* \* \* \* \*

(16) In New Mexico, the rail daily bag and possession limits are 10 and 20, respectively.

(17) In Arizona, Ashurst Lake in Unit 5B is closed to common snipe hunting.

3. In Section 20.105, paragraphs (a), (b), and (f) are amended by adding the entries for the following States in alphabetical order and paragraph (e) is revised to read as follows:

**\$20.105 Seasons, limits, and shooting hours for waterfowl, coots, and gallinules.**

Subject to the applicable provisions of the preceding sections of this part, areas open to hunting, respective open seasons (dates inclusive), shooting and hawking hours, and daily bag and possession limits for the species designated in this section are prescribed as follows:

Shooting and hawking hours are one-half hour before sunrise until sunset, except as otherwise restricted by State regulations. Area descriptions were published in the August 23 and September 19 Federal Registers.

(a) Common Moorhens and Purple Gallinules  
(Atlantic, Mississippi, and Central Flyways)

Virginia, and Maryland in those areas described, delineated, and designated in their respective hunting regulations as special sea duck hunting areas.

- (1) In Maine, the daily bag limit for eiders is 5, possession 10.  
 (2) In Massachusetts, the daily bag limit may include no more than 4 eiders (only 1 of which may be a hen) and 4 long-tailed ducks.

(e) Waterfowl, Coots, and Pacific-Flyway Seasons for Common Moorhens and Purple Gallinules

#### Definitions

The Atlantic Flyway: Includes Connecticut, Delaware, Florida, Georgia, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, North Carolina, Pennsylvania, Rhode Island, South Carolina, Vermont, Virginia, and West Virginia.

The Mississippi Flyway: Includes Alabama, Arkansas, Illinois, Indiana, Iowa, Kentucky, Louisiana, Michigan, Minnesota, Mississippi, Missouri, Ohio, Tennessee, and Wisconsin.

The Central Flyway: Includes Colorado (east of the Continental Divide), Kansas, Montana (Blaine, Carbon, Fergus, Judith Basin, Stillwater, Sweetgrass, Wheatland, and all counties east thereof), Nebraska, New Mexico (east of the Continental Divide except that the Jicarilla Apache Indian Reservation is in the Pacific Flyway), North Dakota, Oklahoma, South Dakota, Texas, and Wyoming (east of the Continental Divide).

The Pacific Flyway: Includes the States of Arizona, California, Colorado (west of the Continental Divide), Idaho, Montana (including and to the west of Hill, Chouteau, Cascade, Meagher, and Park Counties), Nevada, New Mexico (the Jicarilla Apache Indian Reservation and west of the Continental Divide), Oregon, Utah, Washington, and Wyoming (west of the Continental Divide including the Great Divide Basin).

Light Geese: Includes lesser snow (including blue) geese, greater snow geese, and Ross' geese.

Dark Geese: Includes Canada geese, white-fronted geese, emperor geese, brant (except in California, Oregon, Washington, and the entire Atlantic Flyway) and all other geese except light geese.

#### ATLANTIC FLYWAY

##### Flyway-wide Restrictions

Duck Limits: The daily bag limit of 6 ducks may include no more than 4 mallards (2 hen mallards), 3 scaup, 1 black duck, 1 pintail, 1 mottled duck, 2 wood ducks, 2 redheads, and 1 fulvous tree duck. The possession limit is twice the daily bag limit.

Harlequin Ducks: All areas of the Flyway are closed to harlequin duck hunting.

Canvasbacks: All areas of the Flyway are closed to canvasback hunting.

Merganser Limits: The merganser limits include no more than 1 hooded merganser daily and 2 in possession.

| All States                     | Seasons are in aggregate with coots and listed in paragraph (e). |     |                   |

\* \* \* \* \*

(2) In Minnesota, the daily bag limit is 15 and the possession limit is 30 coots and moorhens in the aggregate.

(b) Sea Ducks (scoter, eider, and oldsquaw ducks in Atlantic Flyway)

NOTE: The following seasons are in addition to the seasons published previously in the August 29, 2002, Federal Register (67 FR 45730).

Within the special sea duck areas, the daily bag limit is 7 sea ducks of which no more than 4 may be scoters. Possession limits are twice the daily bag limit. These limits may be in addition to regular duck bag limits only during the regular duck season in the special sea duck hunting areas.

| Dec. 7                    |  |  |  |        |            |  |  |

Southern Illinois Quota Zones in Illinois, the Ballard and Henderson-Union Subzones in Kentucky, the Allegan County, Muskegon Wastewater, Saginaw County, and Tuscola/Huron Goose Management Units in Michigan, the Lac Qui Parle Zone in Minnesota, and the Exterior Zone in Wisconsin will have been filled, the season for taking Canada geese in the respective Zone (and associated area, if applicable) will be closed by either the Director upon giving public notice through local information media at least 48 hours in advance of the time and date of closing, or by the State through State regulations with such notice and time (not less than 48 hours) as they deem necessary.

(4) In Illinois, shooting hours for geese in the Southern Illinois quota Zone through January 28 shall close at 3 p.m.

(5) In Illinois, white-fronted goose, light goose, and brant seasons will close with Canada goose seasons if the season closes early due to the quota being reached.

(6) In Kentucky, in Fulton County, if the Canada goose season closes after January 31 and before February 15, the season for light geese will close with the Canada goose season.

(7) In Louisiana, during the Canada goose season, a special permit is required by the State.

(8) In Michigan, the daily bag limit includes no more than 1 hen mallard.

(9) In Minnesota, the daily bag limit is 15 and the possession limit is 30 coots and moorhens in the aggregate.

(10) In Tennessee, see State regulations for permit requirements and additional restrictions.

#### CENTRAL FLYWAY

##### Flyway-wide Restrictions

**Duck Limits:** The daily bag limit of 6 ducks may include no more than 5 mallards (2 female mallards), 1 mottled duck, 1 pintail, 2 redheads, 3 scaup, and 2 wood ducks. The season on canvasbacks is closed. The possession limit is twice the daily bag limit.

**Merganser Limits:** The daily bag limit is 5 mergansers with 10 in possession and may include no more than 1 hooded merganser daily and 2 in possession. In states that include mergansers in the duck bag limit, the daily limit is the same as the duck bag limit, of which only 1 daily and 2 in possession may be hooded mergansers.

(1) In Arkansas, the daily bag limit may include no more than three mallards, only one of which may be a hen.

(2) In Illinois, the daily bag limit cannot include more than one hen mallard. The season on Pintails is closed.

(3) Harvests of Canada geese will be limited by quotas established in the September 19, 2002, Federal Register. When it has been determined that the quota of Canada geese allotted to the Northern Illinois, Central Illinois, and

|                                                                                                                                                                                                                                                     | Season Dates  |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------|
| (1) In <u>Arizona</u> , the daily limit may include no more than either 2 female mallards or 2 Mexican-like ducks, or 1 of each; and not more than 4 female mallards and Mexican-like ducks, in the aggregate, may be in possession.                |               |
| (2) In <u>Arizona</u> , in Yuma County, La Paz County, Game Management Units 13B, 15, and that portion of Unit 16 lying within Mohave County, the bag and possession limits are 3 and 6 for Canada geese and 3 and 6 for light geese, respectively. |               |
| (3) In <u>California</u> , small Canada geese are cackling and Aleutian Canada geese.                                                                                                                                                               |               |
| (4) In <u>California</u> , the season on light geese is closed in Fremont and Teton Counties.                                                                                                                                                       |               |
| (5) In <u>Montana</u> , check State regulations for special seasons/exceptions in Freezeout Lake WMA; Canyon Ferry; Flathead; Deer Lodge County; and Missoula County.                                                                               |               |
| (6) In <u>Nevada</u> , there is no open season on light geese in Ruby Valley within Elko and White Pine Counties, White River Valley of Nye County, and Panamint Valley of Lincoln County.                                                          |               |
| (7) In <u>New Mexico</u> , the daily bag limit for ducks and mergansers may include no more than 5 mergansers (only 1 of which may be a hooded merganser).                                                                                          |               |
| (8) In <u>New Mexico</u> , the season for dark geese is closed in Bernalillo and Sandoval Counties. In the Middle Rio Grande Valley Unit, a state permit is required.                                                                               |               |
| (9) In <u>Oregon</u> , the Northwest Special Permit Zone is closed to all goose hunting, except for designated areas. See State regulations for specific boundary descriptions, times, days, and other conditions of the special permit season.     |               |
| (10) In <u>Oregon</u> , those portions of Coos and Curry Counties south of Bandon and west of US 101 are closed to all Canada goose hunting.                                                                                                        |               |
| (11) In <u>Utah</u> , the shooting hours are 8:00 a.m. to sunset on October 6 in Cache, Salt Lake, Davis, Weber, and Box Elder Counties, and November 3 statewide.                                                                                  |               |
| (12) In <u>Utah</u> , the season in Washington County is for Canada geese only.                                                                                                                                                                     |               |
| (13) In <u>Washington</u> , the daily bag limit in the West Zone may include no more than 4 scoters and 4 oldsquaws, with the possession limit twice the daily bag limit. The daily bag and possession limit for harlequins is 1.                   |               |
| (14) In <u>Washington</u> , daily bag and possession limits may include no more than 3 and 6 light geese, respectively.                                                                                                                             |               |
| (15) In <u>Washington</u> , see State regulations for specific dates and conditions of permit hunts and closures for Canada geese.                                                                                                                  |               |
| (16) In <u>Washington</u> , in State Goose Area 4, hunting is only on Saturdays, Sundays, Wednesdays, and certain holidays. In State Goose Areas 3 and 5, hunting is everyday. See State regulations for details, including shooting hours.         |               |
| (17) In <u>Washington</u> , brant may be hunted in Skagit and Pacific Counties only; see State regulations for specific dates.                                                                                                                      |               |
| (f) <u>Youth Waterfowl Hunting Day</u>                                                                                                                                                                                                              |               |
| The following seasons are open only to youth hunters. Youth Hunters must be accompanied into the field by an adult at least 18 years of age. This adult can not duck hunt but may participate in other open seasons.                                |               |
| <b>Definition</b>                                                                                                                                                                                                                                   |               |
| <b>Youth Hunters:</b> Includes youths 15 years of age or younger.                                                                                                                                                                                   |               |
| <b>NOTE:</b> The following seasons are in addition to the seasons published previously in the August 29, 2002, <u>Federal Register</u> (67 FR 45730). Bag and possession limits will conform to those set for the regular season.                   |               |
|                                                                                                                                                                                                                                                     | Season Dates  |

(5) In Kansas, the adult accompanying the youth and nonresident youth, must be licensed and possess state and federal duck stamps as required by state or federal regulation to hunt waterfowl.

(9) In Florida, the Canada goose season is only open in the Florida waters of Lake Seminole in Jackson County that are south of SR 2, north of Jim Woodruff Dam, and east of SR271. The light goose season is only open north and west of the Suwannee River.

(10) In Illinois and Virginia, the daily bag limit for Canada geese is 1.

4. Section 20.106 is amended by adding the entries for the following States in alphabetical order to read as follows:

**\$20.106 Seasons, limits, and shooting hours for sandhill cranes.**

Subject to the applicable provisions of the preceding sections of this part, areas open to hunting, respective open seasons (dates inclusive), shooting and hawking hours, and daily bag and possession limits on the species designated in this section are as follows:

Shooting and Hawking hours are one-half hour before sunrise until sunset, except as otherwise restricted by State regulations. Area descriptions were published in the August 23, 2002, Federal Register (67 FR 54702).

**Note:** The following seasons are in addition to the seasons published previously in the August 29, 2002, Federal Register (67 FR 45730).

Section 20.107 is revised to read as follows:                                                                                                                                                                                                                                                                                                                                            |                  |     |                        |
| <u>\$20.107 Seasons, limits, and shooting hours for swans.</u>                                                                                                                                                                                                                                                                                                                              |                  |     |                        |
| Subject to the applicable provisions of the preceding sections of this part, areas open to hunting, respective open seasons (dates inclusive), shooting and hawking hours, and daily bag and possession limits on the species designated in this section are as follows:                                                                                                                    |                  |     |                        |
| Shooting hours are one-half hour before sunrise until sunset, except as otherwise restricted by State regulations. Hunting is by State permit only.                                                                                                                                                                                                                                         |                  |     |                        |
| <u>NOTE: Successful permittees must immediately validate their harvest by that method required in State regulations.</u>                                                                                                                                                                                                                                                                    |                  |     |                        |
|                                                                                                                                                                                                                                                                                                                                                                                             | Season Dates     | Bag | Limits                 |
