

waste operations and emergency response. These final standards do not specify any particular method of information collection. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for EPA's regulations are listed in 40 CFR part 9 and 48 CFR chapter 15. The **Federal Register** document required under 5 CFR 1320.8(d), soliciting comments on this collection of information was published on March 21, 2002 (67 FR 13139); no comments were received.

Burden Statement: The annual public reporting and record keeping burden for this collection of information is estimated to average 10.68 hours per response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

Respondents/Affected Entities: State and local workers.

Estimated Number of Respondents: 24,000.

Frequency of Response: Annually.

Estimated Total Annual Hour Burden: 255,427.

Estimated Total Annualized Capital, O&M Cost Burden: \$0.

Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the addresses listed above. Please refer to EPA ICR No. 1426.06 and OMB Control No. 2050-0105 in any correspondence.

Dated: October 30, 2002.

Interstate Lead Company (ILCO) Superfund Site/Leeds, Alabama; Notice of Proposed Settlement

AGENCY: Environmental Protection Agency.

ACTION: Notice of proposed settlement.

SUMMARY: Under section 122(g) of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), Namco Metals, Inc. (Respondent) entered into a *de minimis* Administrative Order on Consent with the Environmental Protection Agency (EPA), whereby the Respondent, in exchange for the United States' covenant not to sue, agrees to pay EPA \$12,464.66 and the ILCO Site Remediation Group \$30,516.94 for its share of the past and future response costs, including a premium, for the ILCO Superfund Site located in Leeds, Jefferson County, Alabama. EPA will consider public comments on the proposed settlement for thirty days. EPA may withdraw from or modify the proposed settlement should such comments disclose facts or considerations which indicate the proposed settlement is inappropriate, improper, or inadequate. Copies of the proposed settlement are available from: Ms. Paula V. Batchelor, U.S. Environmental Protection Agency, Region IV, CERCLA Program Services Branch, Waste Management Division, 61 Forsyth Street, SW., Atlanta, Georgia 30303. (404) 562-8887.

Written comment may be submitted to Ms. Brenita Richardson at the above address within 30 days of the date of publication.

Dated: October 21, 2002.

Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) or Superfund, Section 104(k)(6); "Announcement of Implementation of Brownfields Job Training Grants"

AGENCY: Environmental Protection Agency.

ACTION: Notice of an opportunity to provide comments on EPA's draft fiscal year 2003 Brownfields job training grant application guidelines.

SUMMARY: The Environmental Protection Agency (EPA) is interested in obtaining the views of interested stakeholders on a draft of the Agency's fiscal year 2003 Brownfields job training grant application guidelines (FY 03 Job Training Guidelines). EPA will make the draft FY 03 Job Training Guidelines available to the public on the Agency's Web site at <http://www.epa.gov/brownfields>. Interested stakeholders and the public are encouraged to download and review the draft guidelines and provide comments by seven calendar days following the publication date of the federal register notice.

DATES: EPA will post the guidelines on the Agency's Web site on November 6, 2002. Those parties that wish to submit written comments on the draft Brownfields Grants Guidelines must submit their comments to EPA no later than one week (seven calendar days) after the publication of the **Federal Register** notice.

ADDRESSES: To ensure that EPA has adequate time to consider any written comments, the Agency encourages parties to submit their comments to the Agency in electronic format. Electronic comments may be submitted to EPA's Office of Brownfields Cleanup and Redevelopment at BF.comments@epa.gov. Parties wishing to submit their comments via the United States Postal Service should address their comments to: Ms. LaKisha Odom, U.S. Environmental Protection Agency, Office of Brownfields Cleanup and Redevelopment, MC-5105T, 1200 Pennsylvania Avenue NW., Washington, DC 20460.

FOR FURTHER INFORMATION CONTACT: For additional information, contact EPA's Office of the Brownfields Cleanup and Redevelopment at 202-566-2777.

SUPPLEMENTARY INFORMATION: The FY 03 Job training Guidelines will be issued under section 104(k)(6) of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) as amended by the recently enacted Small Business Liability Relief and Brownfields Revitalization Act, PL 107-118 (SBLRBRA). Guidelines for grant programs are exempt from notice and comment requirements under 5 U.S.C. 552(a)(2). However, the Agency has decided that consultation with public stakeholders prior to issuing the final version of the FY 03 Job Training

Guidelines is an appropriate step in effectively implementing SBLRBRA.

All written comments must be received by the Agency no later than seven calendar days from federal notice publication. The Agency will carefully consider written comments received during the public comment period, prior to issuing final Brownfields Job Training Grant Application Guidelines in November, 2002. However, due to the need to promptly provide the final FY 03 Job Training Guidelines to potential applicants, EPA does not plan to respond in writing to written comments.

Dated: October 24, 2002.

Linda Garczynski,

Director, Office of Brownfields Cleanup and Redevelopment, Office of Solid Waste and Emergency Response.

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this Action Apply to Me?

This action is directed to the public in general. This action may, however, be of interest to persons who are or may be required to conduct testing of chemical substances under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) or the Federal Food, Drug, and Cosmetic Act (FFDCA); environmental, human health, and agricultural advocates; pesticides users; and members of the public interested in the use of pesticides. Since other entities may also be interested, the Agency has not attempted to describe all the specific entities that may be affected by this action. If you have any questions regarding the applicability of this action to a particular entity, consult the person listed under **FOR FURTHER INFORMATION CONTACT.**

B. How Can I Get Copies of this Document and Other Related Information?

1. *Docket.* EPA has established an official public docket for this action under docket identification (ID) number OPP-2002-0262. The official public docket consists of the documents specifically referenced in this action, any public comments received, and other information related to this action. Although a part of the official docket, the public docket does not include Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. The official public docket is the collection of materials that is available for public viewing at the Public Information and Records Integrity Branch (PIRIB), Rm. 119, Crystal Mall #2, 1921 Jefferson Davis Hwy., Arlington, VA. This docket facility is open from 8:30 a.m. to 4 p.m., Monday through Friday, excluding legal holidays. The docket telephone number is (703) 305-5805.

2. *Electronic access.* You may access this **Federal Register** document electronically through the EPA Internet under the "**Federal Register**" listings at <http://www.epa.gov/fedrgstr/>. To access RED documents and RED fact sheets electronically, go directly to the REDs table on the EPA Office of Pesticide Programs Home Page, at <http://www.epa.gov/pesticides/reregistration/status.htm>.

An electronic version of the public docket is available through EPA's electronic public docket and comment system, EPA Dockets. You may use EPA Dockets at <http://www.epa.gov/edocket/> to submit or view public comments,

access the index listing of the contents of the official public docket, and to access those documents in the public docket that are available electronically. Once in the system, select "search," then key in the appropriate docket ID number.

Certain types of information will not be placed in the EPA Dockets. Information claimed as CBI and other information whose disclosure is restricted by statute, which is not included in the official public docket, will not be available for public viewing in EPA's electronic public docket. EPA's policy is that copyrighted material will not be placed in EPA's electronic public docket but will be available only in printed, paper form in the official public docket. To the extent feasible, publicly available docket materials will be made available in EPA's electronic public docket. When a document is selected from the index list in EPA Dockets, the system will identify whether the document is available for viewing in EPA's electronic public docket. Although not all docket materials may be available electronically, you may still access any of the publicly available docket materials through the docket facility identified in Unit I.B.1. EPA intends to work towards providing electronic access to all of the publicly available docket materials through EPA's electronic public docket.

For public commenters, it is important to note that EPA's policy is that public comments, whether submitted electronically or in paper, will be made available for public viewing in EPA's electronic public docket as EPA receives them and without change, unless the comment contains copyrighted material, CBI, or other information whose disclosure is restricted by statute. When EPA identifies a comment containing copyrighted material, EPA will provide a reference to that material in the version of the comment that is placed in EPA's electronic public docket. The entire printed comment, including the copyrighted material, will be available in the public docket.

Public comments submitted on computer disks that are mailed or delivered to the docket will be transferred to EPA's electronic public docket. Public comments that are mailed or delivered to the docket will be scanned and placed in EPA's electronic public docket. Where practical, physical objects will be photographed, and the photograph will be placed in EPA's electronic public docket along with a brief description written by the docket staff.
