k. *Description of Request*: MP is proposing to delete from the license 276.50 acres of land within the project boundary and transfer ownership to The Nature Conservancy (TNC). TNC would then trade the land, which borders Camp Ripley, a military base operated by the Minnesota Department of Military Affairs (MDMA), for lands of equal value owned by MDMA and located outside of Camp Ripley. The land will be removed from the project boundary however; MDMA has stated that the former, current, and future uses will not change and that the lands will continue to be open to the public for recreational activities. The campsite near Sylvan Dam will be unaffected by this revision, as it will remain within the revised project boundary, under the ownership of MP.
