SUPPLEMENTARY INFORMATION: This Notice informs the public that the U.S. Department of Housing and Urban Development (HUD) has submitted to OMB, for emergency processing, an information collection package with respect to identifying the social, economic, demographic, and fiscal change occurring in American cities which is an important part of HUD's mission. Empirical research on urban dynamics would provide an understanding of what factors are driving change and the impact of public policy on change.

This Notice is soliciting comments from members of the public and affecting agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) Enhance the quality, utility, and clarity of the information to be collected; and (4) Minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

This Notice also lists the following information:

Title of Proposal: Notice of Funding Availability for Research on Socioeconomic Change in Cities.

Description of Information Collection: Identifying the social, economic, demographic, and fiscal change occurring in American cities is an important part of HUD's mission. Empirical research on urban dynamics will provide an understanding of what factors are driving change and the impact of public policy on change.

OMB Control Number: Pending.

Agency Form Numbers: None.

Members of Affected Public: Not-for-profit institutions, State, Local or Tribal Government.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of responses, and hours of response: An estimation of the total number of hours needed to prepare the information collection is 40,

number of respondents is 1,700, frequency response is annually, and the hours of response is 21.25.

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: November 5, 2002.
