#### SUPPLEMENTARY INFORMATION:

##### Background: Electronic Signatures in Global and National Commerce Act

Congress enacted the Electronic Signatures in Global and National Commerce Act, Pub. L. 106-229, 114 Stat. 464 (2000), to facilitate the use of electronic records and signatures in interstate and foreign commerce and to remove uncertainty about the validity of contracts entered into electronically. Section 101 requires, among other things, that electronic signatures, contracts, and records be given legal effect, validity, and enforceability. Sections 103(a) and (b) of the Act provides that the requirements of section 101 shall not apply to contracts and records governed by statutes and regulations regarding: probate and domestic law matters; state commercial law; consumer law covering utility services, residential property default, foreclosure, and eviction notices, and insurance benefits; product recall notices; and hazardous materials papers.
