

Zanesville Armco Independent Union, and the United Steelworkers of America, AFL-CIO/CLC, submitted a request for an administrative review of sales by POSCO, a manufacturer/exporter of SSPC, for the period May 1, 2001 through April 30, 2002. The Department initiated an administrative review on June 25, 2002.

On June 19, 2002, POSCO submitted a letter to the Department stating that it did not export the subject merchandise to the United States during the period of review ("POR"). On July 1, 2002, the Department issued POSCO its standard antidumping duty questionnaire. In response to the Department's questionnaire, POSCO again stated that neither it, nor any of its affiliates, had exports or sales in the United States of subject merchandise manufactured or produced by POSCO during the POR.

On August 21, 2002, the Department sent a no-shipment inquiry concerning SSPC from Korea and POSCO to the U.S. Customs Service ("Customs"). The purpose of this inquiry was to determine whether Customs suspended liquidation of entry summaries of SSPC from Korea manufactured and/or exported by POSCO during the POR. The Customs Service did not identify any suspended entry summaries of SSPC manufactured and/or exported by POSCO during the POR. Therefore, we have determined that there were no entries of subject merchandise produced or exported by POSCO into the customs territory of the United States during the POR.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(3), the Department will rescind an administrative review, in whole, or only with respect to a particular exporter or producer, if the Department concludes that, during the period covered by the review, there were no entries, exports, or sales of the subject merchandise. In light of the fact that we have determined that the only company covered by the review did not have entries for consumption into the territory of the United States during the POR in question, we find that rescinding this review is appropriate. On October 25, 2002, we asked petitioners to submit any evidence that POSCO had entries, exports, or sales or subject merchandise during the POR. See *Memorandum to the File from Brandon Farlander through Robert Bolling*, dated October 25, 2002. We did not receive any evidence from petitioners. Therefore, we are rescinding this administrative review for the period May 1, 2001 through April 30, 2002, and will issue appropriate assessment instructions to

the U.S. Customs Service. The cash-deposit rate for POSCO will remain at 1.19 percent, the rate established in the most recently completed segment of this proceeding (66 FR 64107, December 11, 2001).

This notice serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of APO is a sanctionable violation.

This notice is in accordance with section 777(i) of the Act and 19 CFR 351.213(d)(4).

Dated: November 19, 2002.

Bernard T. Carreau,

Acting Assistant Secretary for Import Administration.

Manufacturing Extension Partnership National Advisory Board

AGENCY: National Institute of Standards and Technology, Department of Commerce.

ACTION: Notice of renewal.

In accordance with the provisions of the Federal Advisory Committee Act, 5 U.S.C. App. 2, and the General Services Administration (GSA) rule on Federal Advisory Committee Management, 41 CFR Part 101-6, and after consultation with GSA, the Secretary of Commerce has determined that the renewal of the Manufacturing Extension Partnership National Advisory Board is in the public interest in connection with the performance of the duties imposed on the Department by law.

The Committee was first established in October 1996 to advise MEP regarding their programs, plans, and policies. In renewing the Board, the Secretary has established it for an additional two years. During the next two years, the Board plans to address center service mix standardization, eBusiness, moving toward high performance centers, training and education of field staff, MEP University, national awareness of the MEP program, international services, and others.

The Board will consist of nine members to be appointed by the Director of the National Institute of Standards and Technology to assure a balanced membership that will represent the views and needs of customers, providers, and others involved in industrial extension throughout the United States.

The Board will function solely as an advisory body and in compliance with the provisions of the Federal Advisory Committee Act. Copies of the Board's revised charter will be filed with the appropriate committees of the Congress and with the Library of Congress.

Inquiries or comments may be directed to Linda Acierto, Senior Policy Advisor, Manufacturing Extension Partnership, National Institute of Standards and Technology, 100 Bureau Drive, Stop 4800, Gaithersburg, Maryland 20899-4800; telephone: 301-975-5020.

Dated: November 18, 2002.
