

SACU countries will assume that any known U.S. non-tariff barrier will not be applicable to such imports. The Commission will note in its report any instance in which the continued application of a U.S. non-tariff barrier to such imports would result in different advice with respect to the effect of the removal of the duty.

In addition, pursuant to section 2104(b)(2) of the Trade Act of 2002, the Commission will provide advice as to the probable economic effect of eliminating tariffs on imports of certain agricultural products of SACU countries (a list of products was provided by USTR) on (i) industries in the United States producing like or directly competitive products and (ii) the U.S. economy as a whole.

The Commission expects to provide its report to USTR by April 7, 2003.
