FEDERAL LABOR RELATIONS AUTHORITY

[FLRA Docket No. WA-RP-90035]

Notice of Opportunity To Submit Amicus Curiae Briefs in a Representation Proceeding Pending Before the Federal Labor Relations Authority

AGENCY: Federal Labor Relations Authority.

ACTION: Notice of the opportunity to file briefs as amici curiae in a proceeding before the Federal Labor Relations Authority in which the Authority is determining whether certain employees who perform security work should be excluded from a bargaining unit on the ground that this work "directly affects national security" within the meaning of 5 U.S.C. 7112(b)(6).

SUMMARY: The Federal Labor Relations Authority provides an opportunity for all interested persons to file briefs as amici curiae on a significant issue in a case pending before the Authority. The Authority is considering the case pursuant to its responsibilities under the Federal Service Labor-Management Relations Statute, 5 U.S.C. 7101-7135 (the Statute) and its regulations, 5 CFR part 2422. The issue concerns the bargaining unit eligibility of employees performing security work.

DATES: Briefs submitted in response to this notice will be considered if received by mail or personal delivery in the Authority's Case Control Office by 5 p.m. on December 30, 2002. Placing submissions in the mail by this deadline

will not be sufficient. Extensions of time to submit briefs will not be granted.

Format: All briefs shall be captioned "Social Security Administration, Baltimore, Maryland, Case No. WA-RP-90035." Parties must submit five copies, one of which must contain an original signature, of each amicus brief, on 8½ by 11 inch paper. Briefs must include a signed and dated statement of service that complies with the Authority's regulations showing service of one copy of the brief on all counsel of record or other designated representatives. 5 CFR 2429.27(a) and (c).

The designated representatives in *Social Security Administration, Baltimore, Maryland, Case No. WA-RP-90035* are Cathy Six, Agency Representative, Office of Labor-Management and Employee Relations, Social Security Administration, 6401 Security Boulevard, Room G-F-10, WHR, Baltimore, MD 21235-6401; Michael J. Snider, Union Representative, AFGE, Local 1923, Room 1-J-21, Operations Building 6401 Security Boulevard, Baltimore, MD 21235; Barbara S. Liggett, Acting Regional Director, Federal Labor Relations Authority, 800 K Street, NW., Suite 910, Washington, DC 20001.

ADDRESSES: Mail or deliver briefs to Gail D. Reinhart, Director, Case Control Office, Federal Labor Relations Authority, 607 14th St. NW., Room 415, Washington, DC 20424-0001.

FOR FURTHER INFORMATION CONTACT: Gail D. Reinhart, Director, Case Control Office, Federal Labor Relations Authority, (202) 482-6540.

SUPPLEMENTARY INFORMATION: On November 1, 2002, in 58 FLRA No. 42, the Authority granted, in part, an application for review of the Acting Regional Director's Decision and Order in *Social Security Administration, Baltimore, Maryland*. A summary of the case follows. Copies of the Authority's complete decision may be obtained by telephoning Gail D. Reinhart at the number listed above.

A. Background

American Federation of Government Employees, AFL-CIO (Union), filed a petition seeking to clarify the bargaining unit to include certain employees of the Social Security Administration, Baltimore, MD (the Agency) who work as Physical Security Specialists and Electronics Technicians. During the processing of this petition, the Agency asserted that the employees should be excluded from the bargaining unit under section 7112(b)(6) of the Statute. The employees develop and implement security operation procedures for the

Agency's facilities. Section 7112(b)(6) provides, as relevant here, that a bargaining unit is not appropriate if it includes any employee engaged in "security work which directly affects national security[.]"

B. The Acting Regional Director's Decision

The Acting Regional Director determined that the disputed positions were not excluded from the proposed unit under section 7112(b)(6) of the Statute because, although the employees were engaged in "security work" within the meaning of section 7112(b)(6) of the Statute, the security work performed by them does not "directly affect[] national security" within the meaning of section 7112(b)(6) of the Statute. Therefore, she concluded that the employees in the disputed positions were not excluded from the bargaining unit.

C. The Application for Review

The Agency filed the application for review, contending that review of the Acting Regional Director's decision is warranted under 5 CFR 2422.31(c), because the decision raises an issue for which there is an absence of precedent.

D. Question on Which Briefs Are Solicited

In *Social Security Administration, Baltimore, Maryland*, the Authority granted the application for review under 5 CFR 2422.31(c) and directed the parties to file briefs addressing whether, and how, the security work performed by the incumbents of the (1) Physical Security Specialist, GS-080-11 (Position Description #8B349); (2) Physical Security Specialist, GS-080-11 (Position Description #8B356); and (3) Electronics Technician, GS-856-11 positions "directly affects national security" as that phrase is defined in *Dep't of Energy, Oak Ridge Operations, Oak Ridge, Tenn.*, 4 FLRA 644, 655-56 (1980). (To better comport with the terms of the Statute, this question is slightly modified from the questions asked in the original decision.)

Because this issue is likely to be of concern to the federal sector labor-management relations community in general, the Authority finds it appropriate to provide for the filing of amicus briefs addressing this question.

Dated: November 25, 2002.

For the Authority.

Gail D. Reinhart,

Director, Case Control Office.

Proposed Data Collections Submitted for Public Comment and Recommendations

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 for opportunity for public comment on proposed data collection projects, the Centers for Disease Control and Prevention (CDC) will publish periodic summaries of proposed projects. To request more information on the proposed projects or to obtain a copy of the data collection plans and instruments, call the CDC Reports Clearance Officer on (404)498-1210.

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Send comments to Seleda Perryman, CDC Assistant Reports Clearance Officer, 1600 Clifton Road, MS-D24, Atlanta, GA 30333. Written comments should be received within 60 days of this notice.

Proposed Project: Data collection on Attention Deficit Hyperactivity Disorder (ADHD)—New—National Center for Birth Defects and Developmental Disabilities (NCBDDD), Centers for Disease Control and Prevention (CDC). This project will collect data from proxy respondents on children ages 4 to 10 with and without ADHD. This program addresses the Healthy People 2010 focus area of Mental Health and Mental Disorders, and describes the prevalence, treated prevalence, select co-morbid conditions, secondary conditions, and health risk behavior of ADHD.

Background

The purpose of this program is to support research in ADHD and the exploration of other health conditions and health risk behaviors to children with the disorder. The main objectives of the project are to determine the prevalence or treated prevalence of
