BILLING CODE 4210-33-P

DEPARTMENT OF THE INTERIOR

Minerals Management Service (MMS)

Availability of Geographic Information and Related Spatial Data

AGENCY: Minerals Management Service, Interior.

ACTION: Availability of geographic information and related spatial data.

SUMMARY: Notice is hereby given that effective with this publication, MMS will assume its responsibilities for National Spatial Data Infrastructure (NSDI) Data Themes as defined in the Office of Management and Budget's Circular No. A-16, "Coordination of Geographic Information and Related Spatial Data Activities," as revised on August 19, 2002.

FOR FURTHER INFORMATION CONTACT: To acquire spatial data from MMS for the following Data Themes, Offshore Minerals, please contact Renee Orr, Chief, Leasing Division Minerals Management Service, Mail Stop 4010, 381 Elden Street, Herndon, Virginia 20170, Telephone (703) 787-1165, Cadastral (Offshore) and Outer Continental Shelf Submerged Lands, please contact Leland F. Thormahlen, Chief, Mapping and Boundary Branch, Minerals Management Service, PO Box 25165, Mail Stop 4011, Denver Federal Center, Lakewood, Colorado 80225, Telephone (303) 275-7120 or visit our web site at www.mms.gov/ld/leasing.htm.

SUPPLEMENTARY INFORMATION: Under the Revised OMB Circular A-16 the following Data Themes as defined are the sole responsibility of the MMS:

Cadastral (Offshore): DOI, MMS

Definition: Offshore cadastre is the land management system used on the Outer Continental Shelf. The cadastre extends from the baseline to the extent of United States jurisdiction. Existing coverage is currently limited to the conterminous United States and portions of Alaska. The maximum extent of United States jurisdiction has not been mathematically determined and will be available as soon as the information is provided by the Department of Commerce.

Offshore Minerals: DOI, MMS

Definition: Offshore minerals include minerals occurring in submerged lands. Examples of marine minerals include

oil, gas, sulfur, gold, sand and gravel, and manganese.

Outer Continental Shelf Submerged Lands: DOI, MMS

Definition: This data includes lands covered by water at any stage of the tide, as distinguished from tidelands, which are attached to the mainland or an island and cover and uncover with the tide. Tidelands presuppose a high-water line as the upper boundary; whereas submerged lands do not.

Dated: November 18, 2002.

Johnnie Burton,

Director, Minerals Management Service.

BILLING CODE 4310-MR-M

INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-989 (Final)]

Ball Bearings From China

AGENCY: United States International Trade Commission.

ACTION: Revised schedule for the subject investigation.

EFFECTIVE DATE: November 22, 2002.

FOR FURTHER INFORMATION CONTACT: Fred Ruggles (202-205-3187), Office of Investigations, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>). The public record for this investigation may be viewed on the Commission's electronic docket (EDIS-ON-LINE) at <http://dockets.usitc.gov/eol/public>.

SUPPLEMENTARY INFORMATION: On October 8, 2002, the Commission established a schedule for the conduct of the final phase of the subject investigation (67 FR 65142, October 23, 2002). The Commission hereby revises the date for its hearing in the investigation from March 4, 2003, to March 6, 2003.

The Commission's new schedule for the investigation is as follows: requests to appear at the hearing must be filed with the Secretary to the Commission not later than February 26, 2003; the

prehearing conference will be held at the U.S. International Trade Commission Building at 9:30 a.m. on March 3; the prehearing staff report will be placed in the nonpublic record on February 21; the deadline for filing prehearing briefs is February 28; the hearing will be held at the U.S. International Trade Commission Building at 9:30 a.m. on March 6; the deadline for filing posthearing briefs is March 13; the Commission will make its final release of information on March 26; and final party comments are due on March 28. For further information concerning this investigation see the Commission's notice cited above and the Commission's rules of practice and procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

Authority: This investigation is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.21 of the Commission's rules.

By order of the Commission.

Issued: November 25, 2002.

Marilyn R. Abbott,

Secretary to the Commission.

BILLING CODE 7020-02-P

INTERNATIONAL TRADE COMMISSION

[Investigations Nos. 731-TA-757 and 759 (Review)]

Collated Roofing Nails From China and Taiwan

AGENCY: International Trade Commission.

ACTION: Termination of five-year reviews.

SUMMARY: The subject five-year reviews were initiated in October 2002 to determine whether revocation of the antidumping duty orders on collated roofing nails from China and Taiwan would be likely to lead to continuation or recurrence of dumping and of material injury to a domestic industry. On November 25, 2002, the Department of Commerce published notice that it was revoking the orders effective November 25, 2002 because "no domestic party responded to the sunset review notice of initiation by the applicable deadline" (67 FR 70578). Accordingly, pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1675(c)), the subject reviews are terminated.

EFFECTIVE DATE: November 25, 2002.
