DEPARTMENT OF STATE

[Public Notice 4191]

Notice of Declaration of Foreign Countries as Reciprocating Countries for the Enforcement of Family Support (Maintenance) Obligations

Agency: Office of the Legal Adviser,
U.S. Department of State.

This notice amends and supplements Department of State public notice 3802, 66 FR 58544 (November 21, 2001).

Section 459A of the Social Security Act (42 U.S.C. 659A) authorizes the Secretary of State with the concurrence of the Secretary of Health and Human Services to declare foreign countries or their political subdivisions to be reciprocating countries for the purpose of the enforcement of family support obligations if the country has established or has undertaken to establish procedures for the establishment and enforcement of duties of support for residents of the United States. These procedures must be in substantial conformity with the standards set forth in the statute. The statutory standards are: Establishment of child support orders, including the establishment of paternity if necessary to establish the order; enforcement of child support orders, including collection and distribution of payments under such orders; cost-free services (including administrative and legal services, as well as paternity testing; and the designation of an agency as Central Authority to facilitate enforcement.

Once such a declaration is made, support agencies in jurisdictions of the United States participating in the program established by title IV-D of the Social Security Act (the IV-D program) must provide enforcement services under that program to such reciprocating countries as if the request for service came from a U.S. state.

The declaration authorized by the statute may be made "in the form of an international agreement, in connection with an international agreement or corresponding foreign declaration, or on a unilateral basis." The Secretary of State has authorized either the Legal Adviser or the Assistant Secretary for Consular Affairs to make such a declaration after consultation with the other.

As of this date, the following countries (or Canadian provinces) have

been designated foreign reciprocating countries:
