laws and executive orders for the counterpart Federal regulations.

List of Subjects in 30 CFR Part 948

Intergovernmental relations, Surface mining, Underground mining.

Dated: November 1, 2002.

Allen D. Klein,

Regional Director, Appalachian Regional Coordinating Center.

For the reasons set out in the preamble, 30 CFR part 948 is amended as set forth below:

PART 948—WEST VIRGINIA

1. The authority citation for part 948 continues to read as follows:

Authority: 30 U.S.C. 1201 *et seq.*

2. Section 948.15 is amended in the table by adding a new entry in chronological order by ''Date of publication of final rule'' to read as follows:

§ 948.15 Approval of West Virginia regulatory program amendments.

* * * * *

Original amendment submission dates	Date of publication of final rule	Citation/description

BILLING CODE 4310–05–P

DEPARTMENT OF TRANSPORTATION

Coast Guard

33 CFR Parts 100, 117 and 165

[USCG–2002–13968]

Safety Zones, Security Zones, Drawbridge Operation Regulations and Special Local Regulations

AGENCY: Coast Guard, DOT.

ACTION: Notice of temporary rules issued.

SUMMARY: This document provides required notice of substantive rules issued by the Coast Guard and temporarily effective between July 1, 2002 and September 30, 2002, which were not published in the **Federal Register**. This quarterly notice lists temporary local regulations, drawbridge operation regulations, security zones, and safety zones of limited duration and for which timely publication in the **Federal Register** was not possible.

DATES: This notice lists temporary Coast Guard rules that became effective and were terminated between July 1, 2002 and September 30, 2002.

ADDRESSES: The Docket Management Facility maintains the public docket for this notice. Documents indicated in this notice will be available for inspection or copying at the Docket Management Facility, U.S. Department of Transportation, Room PL–401, 400 Seventh Street SW., Washington, DC 20593–0001 between 9 a.m. and 5 p.m., Monday through Friday, except Federal Holidays. You may electronically access the public docket for this notice on the Internet at *http://dms.dot.gov.*

FOR FURTHER INFORMATION CONTACT: For questions on this notice, contact LT Sean Fahey, Office of Regulations and Administrative Law, at telephone number (202) 267–2830. For questions on viewing, or on submitting material to the docket, contact Dorothy Beard, Chief, Dockets, Department of Transportation at (202) 366–5149.

SUPPLEMENTARY INFORMATION: Coast Guard District Commanders and Captains of the Port (COTP) must be immediately responsive to the safety and security needs of the waters within their jurisdiction; therefore, District Commanders and COTPs have been delegated the authority to issue certain local regulations. Safety zones may be established for safety or environmental purposes. A safety zone may be stationary and described by fixed limits or it may be described as a zone around a vessel in motion. Security zones limit access to prevent injury or damage to vessels, ports, or waterfront facilities. Drawbridge operation regulations authorize changes to drawbridge schedules to accommodate bridge repairs, seasonal vessel traffic, and local public events. Special local regulations are issued to enhance the safety to participants and spectators at regattas and other marine events.

Timely publication of these rules in the **Federal Register** is often precluded when a rule responds to an emergency, or when an event occurs without sufficient advance notice. The affected public is, however, informed of these rules through Local Notices to Mariners, press releases, and other means. Moreover, actual notification is provided by Coast Guard patrol vessels enforcing the restrictions imposed by the rule. Because **Federal Register** publication was not possible before the beginning of the effective period, mariners were personally notified of the contents of these special local regulations, drawbridge operation regulations, security zones, or safety zones by Coast Guard officials on-scene prior to any enforcement action. However, the Coast Guard, by law, must publish in the **Federal Register** notice of all substantive rules adopted. To meet this obligation without imposing undue expense on the public, the Coast Guard periodically publishes a list of these temporary special local regulations, drawbridge operation regulations, security zones, and safety zones.

Permanent rules are not included in this list because they are published in their entirety in the **Federal Register**. Temporary rules may also be published in their entirety if sufficient time is available to do so before they are placed in effect or terminated. The safety zones, special local regulations, drawbridge operation regulations, and security zones listed in this notice have been exempted from review under Executive Order 12866, Regulatory Planning and Review, because of their emergency nature, or limited scope and temporary effectiveness.

The following rules were placed in effect temporarily during the period from July 1, 2002, and through September 30, 2002, unless otherwise indicated. This notice also includes rules that were not received in time to be included on the quarterly notice for the first and second quarters of 2002.

Dated: November 27, 2002.

S.G. Venckus,

Chief, Office of Regulations and Administrative Law.

POSTAL SERVICE

39 CFR Part 501

Authorization to Manufacture and Distribute Postage Meters; Correction

AGENCY: Postal Service.

ACTION: Final rule; correction.

SUMMARY: The Postal Service published in the **Federal Register** of November 18, 2002, a final rule amending the regulations for inspecting postage meter production facilities that are located outside the continental United States. Inadvertently, some paragraphs of the regulation were designated incorrectly.

DATES: This correction is effective November 18, 2002.

FOR FURTHER INFORMATION CONTACT: Wayne Wilkerson, manager of Postage Technology Management, at 703–292–3782, or by fax at 703–292–4050.

SUPPLEMENTARY INFORMATION: In the final rule published in the **Federal Register** of November 18, 2002 (67 FR 69478–69479), two paragraphs in section 501.2 were designated incorrectly.

§ 501.2 [Corrected]

On page 69479, in the first column, the paragraph designated as (c)(i) should be correctly designated as (c)(1), and in the second column the paragraph designated as (c)(ii) should be correctly designated as (c)(2).

Dated: November 18, 2002.

Stanley F. Mires,

Chief Counsel, Legislative.

BILLING CODE 7710–12–P

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 131

[FRL–7416–3]

Withdrawal of Certain Federal Human Health and Aquatic Life Water Quality Criteria Applicable to Vermont, the District of Columbia, Kansas and New Jersey

AGENCY: Environmental Protection Agency.

ACTION: Final rule.

SUMMARY: In 1992, EPA promulgated Federal regulations establishing water quality criteria for toxic pollutants for twelve States and two territories (hereafter ''States''), including Vermont, the District of Columbia, Kansas and New Jersey. These States have now adopted, and EPA has approved, human health and aquatic life water quality criteria for many of these pollutants. In today's action, EPA is amending the Federal regulations to withdraw certain human health and aquatic life water quality criteria applicable to these States. EPA published the proposal to this rulemaking in the **Federal Register** on March 26, 2001 and provided an opportunity for public comment on the proposed withdrawal of the criteria, because the States adopted certain criteria less stringent than the promulgated Federal criteria. Seven comments were received, but no changes were made to the proposed rulemaking and EPA is finalizing the proposed withdrawal.

In addition, New Jersey adopted, and EPA approved, additional water quality criteria no less stringent than the promulgated Federal criteria. EPA is withdrawing these criteria without notice and comment rulemaking because New Jersey's adopted criteria are no less stringent than the promulgated Federal criteria.

DATES: This final rule is effective January 2, 2003.

ADDRESSES: The administrative record for this action in Vermont is available for public inspection at EPA Region 1, Office of Water, 1 Congress Street, Suite 1100, Boston MA 02114–1505 during normal business hours of 9 a.m. to 5 p.m. The administrative record for today's action in the District of Columbia is available at EPA Region 3, Water Protection Division, 1650 Arch Street, Philadelphia PA 19103–2029 during normal business hours of 9 am to 5 pm. The administrative record for today's action in Kansas is available for public inspection at EPA Region 7, Water, Wetland and Pesticides Division, 901 North 5th Street, Kansas City, Kansas 66101 during normal business hours of 8 a.m. to 4:30 p.m. The administrative record for today's action in New Jersey is available for public inspection at EPA Region 2, Division of Environmental Planning and Protection, 290 Broadway, New York, New York 10007 during normal business hours of 8 a.m. to 4:30 p.m.

Comments and EPA's Response to Comments document are also available for review at EPA Headquarters under docket number W–00–23. These records are available for inspection and copying from 8:30 a.m. to 4:30 p.m., excluding
