DEPARTMENT OF JUSTICE**Notice of Lodging of *De Minimis* Consent Decrees Under the Comprehensive Environmental Response, Compensation and Liability Act**

Under 28 CFR 50.7, notice is hereby given that on November 26, 2002, two proposed *de minimis* consent decrees (“consent decrees”) in *United States v. Abb, Inc., et al.*, Civil Action No. AMD02CV3858 were lodged with the United States District Court for the District of Maryland. One is a global *de minimis* consent decree for all settlers except Northrup Grumman Corporation (“global *de minimis* consent decree”). The other is the consent decree concluded with Northrup Grumman Corporation.

In this action the United States sought cost recovery for costs incurred in connection with the Spectron, Inc. Superfund Site, located near Elkton, Maryland (the “Site”). Under the terms of the consent decrees, the proposed settling parties, 477 potentially responsible parties and 15 federal agencies, would pay approximately \$2.68 million to EPA to cover past and future response costs. All of the settling defendants contributed minor amounts of waste containing hazardous substances to the Site. Each party’s payment to EPA consists of its proportional share of EPA’s past costs (\$1,108,922) and estimated future costs (\$16,880,301), with a 100% premium on the estimated future costs.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the consent decrees. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States Ev. Abb, Inc., et al.*, Civil Action

No. AMD02CV3858, D.J. Ref. 90-11-2-482.

The consent decrees may be examined at the Office of the United States Attorney, 101 West Lombard Street, Baltimore, Maryland 21201, and at U.S. EPA Region III, 1650 Arch Street, Philadelphia, Pennsylvania, 19103-2029. A copy of either consent decree may also be obtained by mail from the Consent Decree Library, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611. In requesting a copy of either the global *de minimis* consent decree or the Northrup Grumman consent decree, minus appendices, please enclose a check in the amount of \$7.00 (25 cents per page reproduction cost) payable to the U.S. Treasury. The appendices to both consent decrees are identical. In requesting the appendices, please enclose a check in the amount of \$14.25 (25 cents per page reproduction cost).

DEPARTMENT OF JUSTICE

Drug Enforcement Administration

Minakshi B. Deshmukh, M.D., Revocation of Registration, Denial of Application

On July 11, 2002, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration (DEA), issued an Order to Show Cause to Minakshi B.

Deshmukh, M.D. (Dr. Deshmukh) of Midland, Michigan, notifying her of an opportunity to show cause as to why DEA should not revoke her DEA Certificate of Registration, BD4361692 pursuant to 21 U.S.C. 824(a)(3), and deny any pending applications for registration pursuant to 21 U.S.C. 823(f). The Order to Show Cause alleged that Dr. Deshmukh was not authorized to handle controlled substances in the States of Michigan (where she has applied for a new DEA registration) or Ohio (the state in which she is currently registered). The Order to Show Cause also notified Dr. Deshmukh that should no request for a hearing be filed within 30 days, her hearing right would be deemed waived.

The Order to Show Cause was sent by certified mail to Deshmukh at a location in Midland, Michigan, and DEA received a signed receipt indicating that it was received on July 17, 2002. DEA has not received a request for hearing or any other reply from Dr. Deshmukh or anyone purporting to represent her in this matter.

Therefore, the Deputy Administrator, finding that (1) 30 days have passed since receipt of the Order to Show Cause, and (2) no request for a hearing have been received, concludes that Dr. Deshmukh is deemed to have waived her hearing right. After considering material from the investigative file in this matter, the Deputy Administrator now enters his final order without a hearing pursuant to 21 CFR 1301.43(d) and (e) and 1301.46.

The Deputy Administrator finds that Dr. Deshmukh currently holds DEA Certificate of Registration BD4361692, as a practitioner. Her current registered location is in Oregon, Ohio and that registration expires on June 30, 2004. Only June 5, 2001, Dr. Deshmukh submitted an application for a new DEA Certificate of Registration as a practitioner at a location in Midland, Michigan.

A review of the investigative file reveals that on June 5, 2001, the Michigan Board of Medicine (Michigan Board) entered an Order of Summary Suspension of Dr. Deshmukh's license to practice medicine in that state. Following the issuance of the above Order, and effective March 20, 2002, Mr. Deshmukh and the Michigan Board entered into a Consent Order. The terms of the Consent Order included the six-month suspension of Dr. Deshmukh's license to practice medicine, and as a condition of reinstatement, her agreement to submit to a psychological and psychiatric examination, as well as a neurological evaluation.
