5. Non-qualified documents may not be included in an electronic submission with other qualified documents. For example, an Electric Rate Compliance Filing may not be electronically filed together with or under the filing type "Compliance Electric Refund Report".

6. Release 4.0 Enhancements: Release 4.0 of the Electronic Filing System contains the following enhancements:

f. *Multiple file submission:* Filers may now select and submit up to five unzipped files with a maximum file size of 10 Mb per file. The files may also be submitted in .zip file format, provided that the total number of unzipped files does not exceed five files. The File Upload screen allows the filer to select, review, and attach up to five files per submission. The screens also provides for deleting and replacing files, as well as ordering them in the proper sequence for filing.

For multiple file submissions, the first (text) file should include a list of the additional files to be submitted with a brief description of the contents of each file.

g. *Filings Requiring a New Docket or Subdocket Number(s):* Certain of the new "qualified documents" for e-filing require a new docket number. vi. Joint Photographic Experts Group (.jpg).

vii. Moving Picture Experts Group (.mpg).

i. *Filing Type Selection*: The menu for selecting the filing type has been revised and is arranged according to filings common to all program areas and those that are specific to the electric, natural gas, oil, or hydropower programs.

7. We are revising the User Guide to reflect the additions to the qualified documents list. The guide contains the instructions for electronic submission and provides more detail on the system enhancements. The User Guide is accessible via the eFiling link at www.ferc.gov.

8. If you have questions about this notice or the new release for electronic filing, please contact Brooks Carter at (202) 502-8145 or by e-mail at brooks.carter@ferc.gov.
