*Type of Review:* Revision.

*Title:* Consolidated State Performance Report.

*Frequency:* Annually.

*Affected Public:* State, Local, or Tribal Gov't, SEAs or LEAs.

*Reporting and Recordkeeping Hour Burden:* Responses: 52. *Burden Hours:* 134,768.

*Abstract:* This information collection package contains the Consolidated State Performance Report (CSPR). The Elementary and Secondary Education Act (ESEA), in general, and its provision for submission of consolidated plans, in particular (see section 14301 of the ESEA), emphasize the importance of cross-program coordination and intergration of federal programs into educational activities carried out with State and local funds. States would use the instrument for reporting on activities that occur during the 2001–2002 school year. The proposed CSPR requests some of the same information as in 2000–2001, with a few modifications to eliminate certain sections. The Department is working actively to revise the content of these documents and develop an integrated information collection system that responds to No Child Left Behind (NCLB), uses new technologies, and better reflects how federal programs help to promote State and local reform efforts.
