Puget Sound & Pacific Railroad— Lease and Operation Exemption— Union Pacific Railroad Company

Puget Sound & Pacific Railroad (PSPR), a Class III rail carrier, has filed a verified notice of exemption under 49 CFR 1150.41 to lease and operate approximately 1.85 miles of rail line from Union Pacific Railroad Company extending between milepost 2.41 at Blakeslee Junction, WA, and milepost 4.26 at Raisch, WA.

Because PSPR's projected annual revenues will exceed \$5 million, PSPR certified to the Board on November 8, 2002, that, on October 2, 2002, it had posted the required notice of intent to undertake the proposed transaction at the workplace of the employees on the affected line and had served a copy of the notice of intent on the national offices of all labor unions with employees on the rail line. See 49 CFR 1150.42(e). PSPR stated in its verified notice that the transaction was scheduled to be consummated on or after December 1, 2002.¹

If the notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the

¹ Due to the timing of PSPR's certification to the Board, consummation under these circumstances would have had to be delayed until January 7, 2003 (60 days after PSPR's certification to the Board that it had complied with the requirements of 49 CFR 1150.42(e)). In a decision in this proceeding served on December 6, 2002, however, the Board granted the request by PSPR for waiver of the remainder of the 60-day notice period to allow consummation to occur as early as December 6, 2002.

exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke does not automatically stay the transaction.

[STB Docket No. AB-845X]

CHS Holdings, Inc.—Abandonment Exemption—in Pembina County, ND

On November 25, 2002, CHS Holdings, Inc. (CHS) filed with the Surface Transportation Board (Board) a petition under 49 U.S.C. 10502 for exemption from the provisions of 49 U.S.C. 10903 to abandon its entire line of railroad extending from milepost 177.44 to the end of the line at milepost 179.55, a distance of 2.11 miles, in Pembina County, ND. The line traverses U.S. Postal Service Zip Code 58271 and includes no stations.

The line does not contain federally granted rights-of-way. Any documentation in CHS's possession will be made available promptly to those requesting it.

In this proceeding, CHS is proposing to abandon a line that constitutes its entire rail system. CHS seeks to extinguish its common carrier obligation and, following abandonment of the line, to operate it as a private carrier. When issuing abandonment authority for a railroad line that constitutes the carrier's entire system, the Board does not impose labor protection, except in specifically enumerated circumstances. See *Northampton and Bath R. Co.—Abandonment*, 354 I.C.C. 784, 785-86

(1978) (*Northampton*). Therefore, if the Board grants the petition for exemption, in the absence of a showing that one or more of the exceptions articulated in *Northampton* are present, no labor protective conditions will be imposed.

By issuance of this notice, the Board is instituting an exemption proceeding pursuant to 49 U.S.C. 10502(b). A final decision will be issued by March 14, 2003.

Any offer of financial assistance (OFA) under 49 CFR 1152.27(b)(2) will be due no later than 10 days after service of a decision granting the petition for exemption. Each OFA must be accompanied by a \$1,100 filing fee. See 49 CFR 1002.2(f)(25).

All interested persons should be aware that, following abandonment of rail service and salvage of the line, the line may be suitable for other public use, including interim trail use. Any request for a public use condition under 49 CFR 1152.28 or for trail use/rail banking under 49 CFR 1152.29 will be due no later than January 2, 2003. Each trail use request must be accompanied by a \$150 filing fee. See 49 CFR 1002.2(f)(27).

All filings in response to this notice must refer to STB Docket No. AB-845X and must be sent to: (1) Surface Transportation Board, 1925 K Street, NW., Washington, DC 20423-0001; and (2) Fritz R. Kahn, 1920 N Street, NW., 8th Floor, Washington, DC 20036-1601. Replies to the CHS petition are due on or before January 2, 2003.

Persons seeking further information concerning abandonment and discontinuance procedures may contact the Board's Office of Public Services at (202) 565-1592 or refer to the full abandonment or discontinuance regulations at 49 CFR part 1152. Questions concerning environmental issues may be directed to the Board's Section of Environmental Analysis (SEA) at (202) 565-1552. [Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1-800-877-8339.]

An environmental assessment (EA) (or environmental impact statement (EIS), if necessary) prepared by SEA will be served upon all parties of record and upon any agencies or other persons who commented during its preparation. Other interested persons may contact SEA to obtain a copy of the EA (or EIS). EAs in these abandonment proceedings normally will be made available within 60 days of the filing of the petition. The deadline for submission of comments on the EA will generally be within 30 days of its service.
