Comment Requested

If you choose to participate, your comments should be in writing and as specific as possible. All comments will be considered. Please note: comments submitted, as well as the names and addresses of those who comment, are considered part of the public record and will be released if requested under the Freedom of Information Act. If you provide a comment, you will remain on our mailing list for this project. If you do not comment but want to remain on the mailing list, please notify us. Those who do not comment or otherwise notify us will be dropped from the mailing list for this project. The estimated dates for filing the draft EIS is April 2003 and the FEIS is August 2003.

Early Notice of Importance of Public Participation in Subsequent Environmental Review

A DEIS will be prepared for comment. The comment period on the DEIS will be 45 days from the date the Environmental Protection Agency publishes the notice of availability in the **Federal Register**.

The Forest Service believes, at this early stage, it is important to give reviewers notice of several court rulings related to public participation in the environmental review process. First, reviewers of DEIS must structure their participation in the environmental review of the proposal so that it is meaningful and alerts an agency to the reviewer's position and contentions. *Vermont Yankee Nuclear Power Corp. v. NRDC*, 435 U.S. 519, 553 (1978). Also, environmental objections that could be raised at the DEIS stage but that are not raised until after completion of the FEIS may be waived or dismissed by the courts. *City of Angoon v. Hodel*, 803 F.2d 1016, 1022 (9th Cir. 1986) and *Wisconsin Heritages, Inc. v. Harris*, 490 F. Supp. 1334, 1338 (E.D. Wis 1980). Because of these court rulings, it is very important that those interested in this proposed action participate by the close of the 45 day comment period so that substantive comments and objections are made available to the Forest Service at a time when it can meaningfully consider them and respond to them in the FEIS.

To assist the Forest Service in identifying and considering issues and concerns on the proposed action, comments on the DEIS should be as specific as possible. It is also helpful if comments refer to specific pages or chapters of the draft statement. Comments may also address the adequacy of the DEIS or the merits of the alternatives formulated and discussed in the statement. Reviewers may wish to refer to the Council on Environmental Quality Regulations for implementing the procedural provisions of the National Environmental Policy Act at 40 CFR 1503.3 in addressing these points.

DEPARTMENT OF COMMERCE

International Trade Administration

[A-549–813]

Notice of Final Results of Antidumping Duty Administrative Review, Rescission of Administrative Review in Part, and Final Determination to Revoke Order in Part: Canned Pineapple Fruit from Thailand

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On August 7, 2002, the Department of Commerce (the Department) published the preliminary results of its administrative review of the antidumping duty order on canned pineapple fruit (CPF) from Thailand. This review covers eight producers/exporters of the subject merchandise. The period of review (POR) is July 1, 2000, through June 30, 2001. Based on our analysis of the comments received, these final results differ from the preliminary results. The final results are listed below in the *Final Results of Review* section. Furthermore, the preliminary results for one exporter/producer, Siam Food Products Public Co. Ltd. (SFP), are adopted in our final results of this administrative review; therefore, we will revoke the antidumping duty order with respect to SFP, based on three consecutive review periods of sales at not less than normal value. *See Revocation of the Order (in Part)* section of this notice. Consistent with the preliminary results, we are rescinding the review with respect to one exporter/producer, Prachuab Fruit Canning Company (Praft) based on our determination that this company had no shipments of subject merchandise to the United States during the POR.

EFFECTIVE DATE: December 13, 2002.

On September 6, 2002, we received case briefs from Dole, TPC, and the petitioners.¹ On September 13, 2002, we received rebuttal briefs from Dole, Malee, and the petitioners. TIPCO also submitted a rebuttal brief on September 25, 2002, but it was rejected by the Department as an untimely submission.²
