

has expired; application for suspension of deportation.

The Department of Justice (DOJ), Executive Office for Immigration Review (EOIR), has submitted the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. The proposed information collection was previously published in the **Federal Register** on October 4, 2002, Volume 67, Number 193, Pages 62265–62266, allowing for a 60 day comment period.

The purpose of this notice is to allow an additional 30 days for public comments until January 16, 2003. This process is conducted in accordance with 5 CFR 1320.10. Written comments and/or suggestions regarding the item contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the Office of Management and Budget (OMB), Office of Information and Regulatory Affairs, Attention: Department of Justice Desk Officer, Washington, DC 20530. Additionally, comments may be submitted to OMB via facsimile to (202) 395–5806.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

(1) *Type of Information Collection:* Reinstatement, without change, of a

previously approved collection for which approval has expired.

(2) *Title of the Form/Collection:* Application for Suspension of Deportation.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form Number EOIR–40, Executive Office for Immigration Review, United States Department of Justice.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract Primary:* Individuals or households. *Other:* None.

Abstract: This form is used by certain deportable aliens to apply for suspension of deportation pursuant to former section 244 of the Immigration and Nationality Act and 8 CFR 240.56 (2002).

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* 2,000 responses per year at 5 hours, 45 minutes per response.

(6) *An estimate of the total public burden (in hours) associated with the collection:* 11,500 hours annually.

NUCLEAR REGULATORY COMMISSION

[Docket No. 72–17]

Notice of Issuance of Amendment to Materials License SNM–2509; Trojan Independent Spent Fuel Storage Installation

The U.S. Nuclear Regulatory Commission (NRC or the Commission) has issued Amendment 3 to Materials License No. SNM–2509 held by Portland General Electric Company (PGE) for the receipt, possession, storage, and transfer of spent fuel at the Trojan Independent Spent Fuel Storage Installation (ISFSI), located in Columbia County, Oregon. The amendment is effective as of the date of issuance.

By application dated October 18, 2002, PGE requested an amendment to its ISFSI license to increase the Technical Specification for the Holtec International Multi Purpose Canister (MPC) helium backfill upper pressure limit from 33.3 psig to 39.3 psig at a reference temperature of 70°F.

This amendment complies with the standards and requirements of the Atomic Energy Act of 1954, as amended (the Act), and the Commission's rules and regulations. The Commission has made appropriate findings as required by the Act and the Commission's rules and regulations in 10 CFR Chapter I, which are set forth in the license amendment. An Environmental

Assessment and Finding of No Significant Impact regarding this amendment has been issued (67 FR 75865; December 10, 2002).

In accordance with 10 CFR 72.46(b)(2), a determination has been made that the amendment does not present a genuine issue as to whether public health and safety will be significantly affected. Therefore, the publication of a notice of proposed action and an opportunity for hearing or a notice of hearing is not warranted. Notice is hereby given of the right of interested persons to request a hearing on whether the action should be rescinded or modified.

For further details with respect to this amendment, see the application dated October 18, 2002, which is available for public inspection at the Commission's Public Document Room, One White Flint North Building, 11555 Rockville Pike, Rockville, MD or from the publicly available records component of NRC's Agencywide Documents Access and Management System (ADAMS) under Accession No. ML022970061. The NRC maintains ADAMS, which provides text and image files of NRC's public documents. These documents may be accessed through the NRC's Public Electronic Reading Room on the Internet at <http://www.nrc.gov/reading-rm/adams.html>. If you do not have access to ADAMS or if there are problems in accessing the documents located in ADAMS, contact the NRC Public Document Room (PDR) Reference staff at 1-800-397-4209, 301-415-4737 or by email to pdr@nrc.gov.

Dated at Rockville, Maryland, this 10th day of December 2002.

For the Nuclear Regulatory Commission
Christopher M. Regan,
Project Manager, Licensing Section, Spent Fuel Project Office, Office of Nuclear Material Safety and Safeguards.

OFFICE OF PERSONNEL MANAGEMENT

Proposed Collection; Comment Request for Review of a Revised Information Collection: RI 38-107

AGENCY: Office of Personnel Management.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) intends to submit to the Office of Management and Budget (OMB) a request for review of a revised information collection. RI 38-107, Verification of Who is Getting Payments, is used to verify that the entitled person is indeed receiving the monies payable. Failure to collect this information would cause OPM to pay monies absent the assurance of the correct payee.

Comments are particularly invited on: Whether this collection of information is necessary for the proper performance of functions of the Office of Personnel Management, and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; and ways in which we can minimize the burden of the collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology.

We estimate 25,400 RI 38-107 forms are completed annually. Each form takes forms takes approximately 10 minutes to complete. The annual estimated burden is 4,234 hours.

For copies of this proposal, contact Mary Beth Smith-Toomey on (202) 606-8358, FAX (202) 418-3251 or via e-mail to mbtoomey@opm.gov. Please include a mailing address with your request.

DATES: Comments on this proposal should be received on or before February 18, 2003.
