Indian Health Service Contract Health Service Report

AGENCY: Indian Health Service, HHS.

ACTION: Request for Public Comment: 60-day Proposed Collection: Indian Health Service Contract Health Service Report.

SUMMARY: The Indian Health Service (IHS) as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3506(c)(2)(A)). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the IHS is providing a 60-day advance opportunity for public comment on a proposed extension of current information collection activity to be submitted to the Office of Management and Budget (OMB) for review.

Proposed Collection

Title: 09-17-0002, "IHS Contract Health Service Report".

Bureau of Land Management

[ID-077-03-1430-ER-D025; IDI-33676]

Notice of Intent To Prepare an Environmental Impact Statement/Land Use Plan Amendment

AGENCY: Burley Field Office, Upper Snake River District, Bureau of Land Management (BLM), Cassia County, Idaho.

ACTION: Notice of Intent to prepare an Environmental Impact Statement (EIS) and to Amend the Cassia Resource Management Plan (RMP).

SUMMARY: Notice is hereby given that the BLM is proposing to prepare a land use plan amendment and environmental impact statement (EIS) to consider the proposed Cotterel Mountain Wind Energy Project (Project), located southeast of the town of Albion in Cassia County, Idaho. Windland, Inc. (Windland) of Boise, Idaho proposes to construct and operate the 200-megawatt (MW) wind-driven power generation facility. The EIS will analyze the potential environmental impacts of the construction and operation of the wind project itself, as well as related transmission facilities and roads. This planning activity would amend the Cassia RMP and deals with the 40,967 acres of public land in the Cotterel Mountain Management Area of the RMP and more specifically with approximately 4,600 acres running north and south along the ridge line of the mountain that would be directly affected by the proposed project. The planning process will comply with the Federal Land Policy and Management Act of 1976 (FLPMA) and the National Environmental Policy Act of 1969 (NEPA). The BLM will work closely with interested parties to identify the management decisions that are best suited to the needs of the public. This collaborative process will take into account local, regional, and national needs and concerns. This notice initiates the public scoping process to identify specific issues and develop planning criteria. The scoping process will include an evaluation of the needs and interests of the public.

DATES: The scoping comment period will commence with the publication of this notice. Formal scoping will end 60 days after publication of this notice. Comments regarding issues and planning criteria should be received on or before the end of the scoping period at the address listed below. Public meetings or open houses will be held. In order to ensure local community
