

Series HH bonds with issue dates of March 1, 1993, through December 1, 2002, yield 4 percent per annum, paid semiannually, to original maturity.

* * * * *

(2) *During extended maturity.* The investment yields for Series HH bonds during their extended maturity periods are as specified in paragraphs (e)(2)(i), (ii), and (iii) of this section.

(i) *Bonds that enter an extended maturity period on or after January 1, 2003.* The investment yield applicable to Series HH bonds that enter an extended maturity period on or after January 1, 2003, will be furnished in rate announcements by the Secretary or the Secretary's designee. The rate announced will apply to bonds that enter an extended maturity period during the period covered by the announcement.

(ii) *Bonds that entered an extended maturity period from March 1, 1993, through December 1, 2002.* The investment yield applicable to Series HH bonds that entered an extended maturity period from March 1, 1993, through December 1, 2002, is 4 percent per annum, paid semiannually.

(iii) *Bonds that entered an extended maturity period from January 1, 1990, through February 1, 1993.* The investment yield applicable to Series HH bonds that entered into an extended maturity period from January 1, 1990, through February 1, 1993, is 6 percent per annum, paid semiannually.

BILLING CODE 4810-39-P

DEPARTMENT OF TRANSPORTATION

Coast Guard

33 CFR Part 165

[CGD09-02-526]

RIN 2115-AA97

Safety Zone; Lake Michigan, Chicago, IL

AGENCY: Coast Guard, DOT.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for the City of Chicago New Year's Celebration Fireworks in Monroe Harbor, Chicago, Illinois. This safety

zone is necessary to protect vessels and spectators from potential airborne hazards during a planned fireworks display over Lake Michigan. The safety zone is intended to restrict vessels from a portion of Lake Michigan off Chicago, Illinois.

DATES: This rule is effective from 11:55 p.m. (local), December 31, 2002 until 12:20 a.m. (local), January 1, 2003.

ADDRESSES: Documents indicated in this preamble as being available in the docket, are part of docket [CGD09-02-526] and are available for inspection or copying at U.S. Coast Guard Marine Safety Office Chicago, 215 W. 83rd Street, Suite D, Burr Ridge, Illinois 60527, between 7:30 a.m. and 4 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT:
MST3 Kathryn Varela, U.S. Coast Guard Marine Safety Office Chicago, at (630) 986-2125.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM, and under 5 U.S.C. 553(d)(3), good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. The permit application was not received in time to publish an NPRM followed by a final rule before the necessary effective date. Delaying this rule would be contrary to the public interest of ensuring the safety of spectators and vessels during this event and immediate action is necessary to prevent possible loss of life or property. The Coast Guard has not received any complaints or negative comments with regard to this event.

Background and Purpose

This temporary safety zone is necessary to ensure the safety of vessels and spectators from hazards associated with a fireworks display. Based on recent accidents that have occurred in other Captain of the Port zones, and the explosive hazard of fireworks, the Captain of the Port Chicago has determined firework launches in close proximity to watercraft pose significant risks to public safety and property. The likely combination of large numbers of recreational vessels, congested waterways, darkness punctuated by bright flashes of light, alcohol use, and debris falling into the water could easily result in serious injuries or fatalities. Establishing a safety zone to control vessel movement around the location of

the launch platforms will help ensure the safety of persons and property at these events and help minimize the associated risks.

The safety zone will encompass the waters of Lake Michigan within the arc of a circle with a 1400-foot radius from the fireworks launch site in Monroe Street Harbor with its center in the approximate position 41°52'41" N, 087°36'37" W. Entry into, transit through or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port, Chicago or his designated on-scene representative. The designated on-scene representative may be contacted on VHF/FM Marine Channel 16. All geographic coordinates are North American Datum of 1983 (NAD 83).

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040, February 26, 1979). The Coast Guard expects the economic impact of this proposal to be so minimal that a full Regulatory Evaluation under paragraph 10e of the regulatory policies and procedures of DOT is unnecessary.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This regulation will not have a significant economic impact for the following reasons. The regulation is only in effect for less than one hour. The designated area is being established to allow for maximum use of the waterway for vessels to enjoy the fireworks display in a safe manner. In addition, commercial vessels transiting the area can transit around the safety zone. The Coast Guard will inform the public that

the regulation is in effect via a Broadcast Notice to Mariners.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we offer to assist small entities in understanding the rule so that they can better evaluate its effects on them and participate in the rulemaking process. Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247).

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

Federalism

We have analyzed this rule under Executive Order 13132, Federalism, and have determined that this rule does not have implications for federalism under that Order.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not affect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

The Coast Guard has analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

Environment

We have considered the environmental impact of this rule and concluded that under figure 2-1, paragraph 34(g), of Commandant Instruction M16475.1D, this rule is categorically excluded from further environmental documentation. A written categorical exclusion determination is available in the docket for inspection or copying where indicated under **ADDRESSES**.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant energy action" under that Order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. It has not been designated by the Administrator of the Office of Information and Regulatory Affairs as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons set out in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191, 33 CFR 1.05-1(g), 6.04-1, 6.04-6, and 160.5; 49 CFR 1.46.

2. A new temporary § 165.T09-526 is added to read as follows:

§ 165.T09-526 Safety Zone; Lake Michigan, Chicago, IL.

(a) **Location.** The safety zone will encompass the waters of Lake Michigan within the arc of a circle with a 1400-foot radius from the fireworks launch site in Monroe Street Harbor with its center in approximate position 41°52'41" N, 087°36'37" W (NAD 1983).

(b) **Effective time and date.** This section is effective from 11:55 p.m. (local) December 31, 2002 until 12:20 a.m. (local), on January 1, 2003.

(c) **Regulations.** This safety zone is being established to protect the boating public during a planned fireworks display. In accordance with the general regulations in § 165.23 of this part, entry into this zone is prohibited unless authorized by the Coast Guard Captain of the Port, Chicago, or his designated on-scene representative.

Dated: December 15, 2002.

R.E. Seebald,

Captain, Coast Guard, Captain of the Port Chicago.
