Comments.

Comments are invited on:

(a) Whether the proposed collection of information is necessary for the proper performance of our functions, including whether the information will have practical use;

(b) The accuracy of our burden estimate for the proposed collection of information;

(c) Ways to enhance the quality, usefulness, and clarity of the information to be collected; and

(d) Ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

We will summarize all comments received regarding this notice. We will publish that summary in the **Federal Register** when the information collection request is submitted to OMB for review and approval.

Department of the Interior practice is to make comments, including names and home addresses of respondents, available for public review. Individual respondents may request that we withhold their home address from public disclosure, which we will honor to the extent allowable by law. There also may be circumstances in which we would withhold a respondent's identity from public disclosure, as allowable by law. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public disclosure in their entirety.

Dated: December 10, 2002.

Bureau of Reclamation

Agency Information Collection Activities; Proposed Revisions to a Currently Approved Information Collection; Comment Request

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice of renewal of a currently approved collection (OMB No. 1006-0023).

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Bureau of Reclamation (we, our, or us) intends to submit a request for renewal (with revisions) of an existing approved information collection to the Office of Management and Budget (OMB): Limited Recipient Identification Sheet, Trust Information Sheet for Acreage Limitation, 43 CFR part 426, OMB Control Number: 1006-0023. This information collection is required by provisions under the Reclamation Reform Act of 1982 (RRA) and Acreage Limitation Rules and Regulations, 43 CFR part 426. We request your comments on the proposed RRA forms and specific aspects of the information collection.

DATES: Your written comments must be received on or before February 25, 2003.

ADDRESSES: You may send written comments to the Bureau of Reclamation, Attention: D-5200, PO Box 25007, Denver, CO 80225-0007. You may request copies of the proposed forms by writing to the above address or by

contacting Stephanie McPhee at: (303) 445-2897.

FOR FURTHER INFORMATION CONTACT: Stephanie McPhee at: (303) 445-2897.

SUPPLEMENTARY INFORMATION:

Title: Limited Recipient Identification Sheet, Trust Information Sheet for Acreage Limitation, 43 CFR part 426.

Abstract: Identification of limited recipients—Some entities that receive Reclamation irrigation water may believe themselves to be under the RRA forms submittal threshold and consequently, may not submit the appropriate RRA form(s). However, some of these entities may in fact have a different RRA forms submittal threshold than what they believe it to be due to the number of natural persons benefiting from each entity and the location of the land held by each entity. In addition, some entities that are exempt from the requirement to submit RRA forms due to the size of their landholdings (directly and indirectly owned and leased land) may in fact be receiving Reclamation irrigation water for which the full-cost rate must be paid because the start of Reclamation irrigation water deliveries occurred after October 1, 1981 [43 CFR 426.6(b)(2)]. The information obtained through completion of the Limited Recipient Identification Sheet allows us to establish entities' compliance with Federal reclamation law. The Limited Recipient Identification Sheet is disbursed at our discretion. The proposed revisions to the Limited Recipient Identification Sheet will be included starting in the 2004 water year, and are designed to facilitate ease of completion.

Trust review—We are required to review and approve all trusts [43 CFR part 426.7(b)(2)] in order to ensure trusts meet the regulatory criteria specified in 43 CFR part 426.7. Land held in trust generally will be attributed to the

beneficiaries of the trust rather than the trustee if the criteria are met. When we become aware of trusts with a relatively small landholding (40 acres or less), we may extend to those trusts the option to complete and submit for our review the Trust Information Sheet instead of actual trust documents. If we find nothing on the completed Trust Information Sheet that would warrant the further investigation of a particular trust, that trustee will not be burdened with submitting trust documents to us

for in-depth review. The Trust Information Sheet is disbursed at our discretion. The proposed revisions to the Trust Information Sheet will be included starting in the 2004 water year, and are designed to facilitate ease of completion.

Frequency: Generally, these forms will be submitted once per identified entity or trust. Each year, we expect new responses in accordance with the following numbers.

Respondents: Entity landholders and trusts identified by Reclamation that are subject to the acreage limitation provisions of Federal reclamation law.

Estimated Total Number of Respondents: 1,105.

Estimated Number of Responses per Respondent: 1.0.

Estimated Total Number of Annual Responses: 1,105.

Estimated Total Annual Burden on Respondents: 92 hours.

Estimate of Burden for Each Form:

Form No.	Burden estimate per form (in minutes)	Number of respondents	Annual number of responses	Annual burden on respondents (in hours)
Limited Recipient Identification Sheet	5	635	635	53
Trust Information	5	470	470	39

DEPARTMENT OF THE INTERIOR

Bureau of Reclamation

Information Collection Activities; Request for Comments

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice and request for comments.

SUMMARY: The Bureau of Reclamation (Reclamation), as part of its continuing effort to reduce paperwork and respondent burdens, invites other Federal agencies, State, local, or tribal governments which manage recreation sites at Reclamation projects; concessionaires, subconcessionaires, and not-for-profit organizations who operate concessions on Reclamation lands; and the public, to comment on continuing information collection as required under the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35). Currently, comments are being solicited about information Reclamation obtains to assess the relevance of recreation and concession activities at Reclamation projects.

DATES: Written comments must be received by the office listed in the addresses section on or before February 25, 2003.

ADDRESSES: Direct comments on the collection of recreation and concession information to: Bureau of Reclamation, Land, Recreation, and Cultural Resources Office, D-5300, Attention:

Mr. Vernon Lovejoy, PO Box 25007, Denver, Colorado 80225-0007.

FOR FURTHER INFORMATION CONTACT: For additional information or a copy of the proposed Recreation Data Use Report forms, contact Mr. Lovejoy at the address provided above or by telephone at (303) 445-2913.

SUPPLEMENTARY INFORMATION:

Reclamation collects Reclamation-wide recreation and concession information in support of existing public laws including the Federal Water Project Recreation Act (Pub. L. 89-72) and the Land and Water Conservation Fund Act (Pub. L. 88-578) and to fulfill reports to the President and the Congress. This collection of information allows Reclamation to meet the requirements of the Government Performance and Results Act (GPRA), financial reporting requirements, and pursue Reclamation's mission to manage, develop, and protect water and related resources in an environmentally and economically sound manner in the interest of the American people. Collection of Reclamation-wide recreation and concessionaire information supports specific information required by the Land and Water Conservation Fund Act and the Department of the Interior's GPRA-based strategic plan.

The two-part Recreation Use Data Report is an extension of a currently approved information collection with changes. Collected information will be used by Reclamation and its region and area offices to fulfill annual assessments and reporting requirements. Collected information will permit relevant program assessments of resources managed by Reclamation, its recreation managing partners, and/or concessionaires for the purpose of protecting the public interest and the
