

beneficiaries of the trust rather than the trustee if the criteria are met. When we become aware of trusts with a relatively small landholding (40 acres or less), we may extend to those trusts the option to complete and submit for our review the Trust Information Sheet instead of actual trust documents. If we find nothing on the completed Trust Information Sheet that would warrant the further investigation of a particular trust, that trustee will not be burdened with submitting trust documents to us

for in-depth review. The Trust Information Sheet is disbursed at our discretion. The proposed revisions to the Trust Information Sheet will be included starting in the 2004 water year, and are designed to facilitate ease of completion.
