

Environmental Impact Statement on the Chemical Stockpile Disposal Program (CSDP), the Army selected on-site disposal by incineration at all eight chemical munition storage sites located within the continental United States as the method by which it will destroy its lethal chemical stockpile. The Army published a Notice of Intent in the **Federal Register** (65 FR 20140-41, December 4, 2000) which provided notice that, pursuant to the National Environmental Policy Act and implementing regulations, it was preparing a draft site-specific EIS for the Blue Grass Chemical Agent Disposal Facility. The Army published a Draft EIS to assess the site-specific health and environmental impacts of on-site disposal of the chemical agents and munitions stored at the BGAD on May 31, 2002. All public comments received on the DEIS have been addressed in the FEIS.

The Program Manager for Assembled Chemical Weapons Assessment (ACWA) prepared a separate EIS. The ACWA EIS is for follow-on pilot testing of the ACWA Program pursuant to the process established by Congress in Pub. L. 104-208 and 105-261. The ACWA EIS emphasizes the feasibility of pilot testing one or more of the ACWA technologies at one or more sites. One of the four sites evaluated in the ACWA EIS was the BGAD. Information provided by the ACWA Program concerning the neutralization technologies provided the basis for analysis of the neutralization technologies and comparison with incineration in this site-specific EIS for stockpile destruction at Blue Grass. This site-specific EIS and the ACWA EIS serve complementary purposes.

The decision for the technology to be implemented to destroy the chemical weapons stockpile at BGAD will be made by the DAE and a ROD will be signed following the end of the 30-day waiting period.

Dated: December 19, 2002.

Richard E. Newsome,

Acting Deputy Assistant Secretary of the Army (Environment, Safety and Occupational Health) OASA (I&E).

Pilot Project for Electronic Submission of Applications

In Fiscal Year 2003, the U.S. Department of Education is continuing to expand its pilot project for electronic submission of applications to include additional formula grant programs and additional discretionary grant competitions. The European Community/United States of America Cooperation Program in Higher Education and Vocational Education and Training—84.116J is one of the programs included in the pilot project. If you are an applicant under the European Community/United States of America Cooperation Program in Higher Education and Vocational Education and Training, you may submit your application to us in either electronic or paper format.

The pilot project involves the use of the Electronic Grant Application System (e-Application) portion of the Grant Administration and Payment System (GAPS). Users of e-Application will be entering data on-line while completing their applications. You may not e-mail a soft copy of a grant application to us.

If you participate in this voluntary pilot project by submitting an application electronically, the data you enter on-line will be saved into a database. We request your participation in e-Application. We shall continue to evaluate its success and solicit suggestions for improvement.

If you participate in e-Application, please note the following:

- Your participation is voluntary.
- You will not receive any additional point value because you submit a grant application in electronic format, nor will we penalize you if you submit an application in paper format. When you enter the e-Application system, you will find information about its hours of operation.

- You may submit all documents electronically, including the Application for Federal Assistance (ED 424), Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.

- After you electronically submit your application, you will receive an automatic acknowledgement, which will include a PR/Award number (an identifying number unique to your application).

- Within three working days after submitting your electronic application, fax a signed copy of the Application for Federal Assistance (ED 424) to the Application Control Center after following these steps:

(1) Print ED 424 from the e-Application system.

(2) The institution's Authorizing Representative must sign this form.

(3) Place the PR/Award number in the upper right hand corner of the hard copy signature page of the ED 424.

(4) Fax the signed ED 424 to the Application Control Center at (202) 260-1349.

- We may request that you give us original signatures on all other forms at a later date.

- *Closing Date Extension in Case of System Unavailability:* If you elect to participate in the e-Application pilot for the European Community/United States of America Cooperation Program in Higher Education and Vocational Education and Training and you are prevented from submitting your application on the closing date because the e-Application system is unavailable, we will grant you an extension of one business day in order to transmit your application electronically, by mail, or by hand delivery. For us to grant this extension—

(1) You must be a registered user of e-Application, and have initiated an e-Application for this competition; and

(2)(a) The e-Application system must be unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the deadline date; or

(b) The e-Application system must be unavailable for any period of time during the last hour of operation (that is, for any period of time between 3:30 and 4:30 p.m., Washington, DC time) on the deadline date. The Department must acknowledge and confirm these periods of unavailability before granting you an extension. To request this extension you must contact either (1) the person listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT** or (2) the e-GRANTS help desk at 1-888-336-8930.

You may access the electronic grant application for the European Community/United States of America Cooperation Program in Higher Education and Vocational Education and Training at: <http://e-grants.ed.gov>.
