

the funds available to LMMs for their use in attracting orders in the options traded at the posts. The PCX charges the marketing fees as set forth in the Schedule of Rates.

The PCX is proposing to change the marketing fee for certain options as set forth in the Schedule of Rates beginning at the commencement of the December trade month and continuing until further notice. The PCX proposes to change only the amounts of the fees that it charges for transactions in the options that are included in the proposed Schedule of Rates. Any fees currently being charged for transactions in options that are not listed in this change to the Schedule of Rates would not be affected by the proposed rule change. The PCX believes that its proposed rule change is reasonable and equitable because it is designed to enable the PCX to compete with other markets in attracting options business. Only the amount of the fee is being changed.

Basis

The PCX believes that the proposal is consistent with Section 6(b) of the Act,⁴ particularly Section 6(b)(4) of the Act,⁵ in that it provides for the equitable allocation of reasonable dues, fees and other charges among its members.

B. Self-Regulatory Organization's Statement on Burden on Competition

The PCX does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The PCX neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become immediately effective pursuant to Section 19(b)(3)(A) of the Act⁶ and Rule 19b-4(f) thereunder⁷ because it changes the PCX fee schedule. At any time within 60 days after the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for

the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposal is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the PCX. All submissions should refer to File No. SR-PCX-2002-72 and should be submitted by January 17, 2003.

Self-Regulatory Organizations; Order Approving a Proposed Rule Change and Amendment No. 1 Thereto by the Philadelphia Stock Exchange, Inc. Proposing To Amend Phlx Rule 201A(b), Alternate Specialist Assignment

December 20, 2002.

I. Introduction

On February 11, 2002, the Philadelphia Stock Exchange, Inc. ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and

Rule 19b-4 thereunder,² a proposed rule change to amend Phlx Rule 201A(b), Alternate Specialist Assignment, to delete restrictions on members, member organizations and persons affiliated with member organizations from acting as an alternate specialist while that member, member organization or person affiliated with member organization is either a specialist in the options overlying the equity issue or a Registered Options Trader ("ROT") with an assignment in the overlying options. The Exchange filed Amendment No. 1 to the proposed rule change on September 10, 2002.³ The proposed rule change, as amended, was published for comment in the **Federal Register** on November 7, 2002.⁴ The Commission received no comment letters on the proposed rule change. This order approves the proposed rule change, as amended.

After careful review, the Commission finds that the proposed rule change, as amended, is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.⁵ In particular, the Commission finds that the proposed rule change to eliminate the restriction on an alternate specialist being affiliated with a specialist or ROT in the overlying option is consistent with Section 6(b)(5) of the Act,⁶ which requires, among other things, that the rules of an exchange be designed to promote just and equitable principles of trade and to remove impediments to and perfect the mechanism of a free and open market.

The Exchange's rules do not restrict a Phlx primary equity specialist from being affiliated with a specialist or ROT trade in the overlying option. The Commission does not believe that such a restriction is necessary for alternate specialists. The Commission also believes that the potential for manipulative or other improper trading activity is minimized by the physical separation of the Exchange's options and equity trading floors. Further, the Commission notes that the Exchange's Market Surveillance and Examinations Departments will continue to monitor and surveil for improper trading activity.

³ On September 10, 2002, the Exchange filed a Form 19b-4, which replaced the original filing in its entirety ("Amendment No. 1").

⁴ See Securities Exchange Act Release No. 46758 (October 31, 2002), 67 FR 67885.

⁵ In approving this proposed rule change, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. 15 U.S.C. 78c(f).

⁶ 15 U.S.C. 78f(b)(5).

⁴ 15 U.S.C. 78f(b).

II. Conclusion

For the foregoing reasons, the Commission finds that the proposed rule change, as amended, is consistent with the requirements of the Act and rules and regulations thereunder.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁷ that the proposed rule change (SR-Phlx-2002-11), as amended, is approved.

Deputy Secretary.
