**ACTION:** Notice of Extension of Time Limit.

**SUMMARY:** The Department of Commerce is extending the time limit for the preliminary results of the current review of the antidumping duty order on certain polyester staple fiber from Korea. The period of review is May 1, 2001 through April 30, 2002. This extension is made pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended by the Uruguay Round Agreements Act.

**EFFECTIVE DATE:** January 9, 2003.

**FOR FURTHER INFORMATION CONTACT:** Andrew McAllister or Jarrod Goldfeder, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone (202) 482-1174 or (202) 482-0189, respectively.

#### SUPPLEMENTARY INFORMATION:

##### Statutory Time Limits

Section 751(a)(3)(A) of the Act requires the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these

deadlines to a maximum of 365 days and 180 days, respectively.

#### Background

On June 25, 2002, the Department published a notice of initiation of administrative review of the antidumping duty order on certain polyester staple fiber ("PSF") from Korea, covering the period May 1, 2001, through April 30, 2002 (67 FR 42753). The preliminary results for the antidumping duty administrative review of certain PSF from Korea are currently due no later than January 31, 2003.

#### Extension of Time Limits for Preliminary Results

The respondents in this proceeding have outstanding original and supplemental questionnaire responses. Because the Department requires time to review and analyze these responses once they are received, it is not practicable to complete this review within the originally anticipated time limit (*i.e.*, January 31, 2003). Therefore, the Department of Commerce is extending the time limit for completion of the preliminary results to not later than June 2, 2003, in accordance with section 751(a)(3)(A) of the Act.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: December 31, 2002.
