

DEPARTMENT OF TRANSPORTATION**Surface Transportation Board****[STB Docket No. MC-F-20996]****East West Resorts Transportation LLC; East West Resorts Transportation II, LLC; Colorado Mountain Express, LLC; and Resort Express LLC—Merger—East West Resorts Transportation, LLC****AGENCY:** Surface Transportation Board.**ACTION:** Notice tentatively approving finance transaction.

SUMMARY: East West Resorts Transportation, LLC (EWRT I), East West Resorts Transportation II, LLC (EWRT II), both noncarriers, Colorado Mountain Express, LLC (CME) and Resort Express, LLC (RE), both motor carriers of passengers, jointly filed an application under 49 U.S.C. 14303 to merge EWRT I and EWRT II with EWRT I as the surviving entity. Additionally, incident to the merger, the parties seek the transfer of the operating rights of CME to RE followed by the lease of all the operating rights of RE by CME. Finally, the parties seek the following name changes: (1) EWRT I to East West Resort Transportation Holdings, LLC; (2) CME to East West Resort Transportation, LLC; and (3) RE to TMS, LLC. Persons wishing to oppose the application must follow the rules at 49 CFR 1182.5 and 1182.8. The Board has tentatively approved the transaction, and, if no opposing comments are timely filed, this notice will be the final Board action.

DATES: Comments must be filed by February 24, 2003. Applicant may file a reply by March 11, 2003. If no comments are filed by February 24, 2003, the tentative approval becomes final on that date.

ADDRESSES: Send an original and 10 copies of any comments referring to STB Docket No. MC-F-20996 to: Surface Transportation Board, 1925 K Street, NW., Washington, DC 20423-0001. In addition, send one copy of comments to applicants' representative: Thomas J. Burke, Jr., 1625 Broadway, Suite 1600, Denver, CO 80202.

FOR FURTHER INFORMATION CONTACT: Beryl Gordon (202) 565-1600. (Federal Information Relay Service (FIRS) for the hearing impaired: 1-800-877-8339.)

SUPPLEMENTARY INFORMATION: EWRT I and EWRT II are holding companies controlled by Charles I. Madison, Harry H. Frampton III, and John C. Goff. CME, a wholly owned subsidiary of EWRT I, is authorized to provide special and charter operations pursuant to federally issued authority in Docket Nos. MC-

169174 and MC-174332. RE, a wholly owned subsidiary of EWRT II, is authorized to provide regular route interstate operations pursuant to Federally issued authority in Docket No. MC-181367.

Applicants state that ultimate control over the properties will remain the same and that the purpose of the merger and related transfer and lease is "entity simplification." Applicants contend that approval of the transaction will enable CME, under a unified management structure, to achieve such operating efficiencies as fuel conservation and reduced vehicle congestion and exhaust emissions.

Under 49 U.S.C. 14303(b), we must approve and authorize a transaction that we find consistent with the public interest, taking into consideration at least: (1) The effect of the transaction on the adequacy of transportation to the public; (2) the total fixed charges that result; and (3) the interest of affected carrier employees.

Applicants have submitted the information required by 49 CFR 1182.2, including information to demonstrate that the proposed transaction is consistent with the public interest under 49 U.S.C. 14303(b). Specifically, applicants have shown that the proposed transaction will have a positive effect on the adequacy of transportation to the public and will result in no increase in fixed charges and no changes in employment. See 49 CFR 1182.2(a)(7). Additional information may be obtained from applicants' representative.

On the basis of the application, we find that the proposed transaction is consistent with the public interest and should be authorized. If any opposing comments are timely filed, this finding will be deemed vacated and, unless a final decision can be made on the record as developed, a procedural schedule will be adopted to reconsider the application. See 49 CFR 1182.6(c). If no opposing comments are filed by the expiration of the comment period, this decision will take effect automatically and will be the final Board action.

Board decisions and notices are available on our Web site at: www.stb.dot.gov.

This decision will not significantly affect the quality of the human environment or the conservation of energy resources.

It is ordered:

1. The proposed transaction is approved and authorized, subject to the filing of opposing comments.

2. If timely opposing comments are filed, the findings made in this decision will be deemed as having been vacated.

3. This decision will be effective on February 24, 2003, unless timely opposing comments are filed.

4. A copy of this notice will be served on: (1) U.S. Department of Transportation, Federal Motor Carrier Safety Administration, 400 7th Street, SW., Room 8214, Washington, DC 20590; (2) U.S. Department of Justice, Antitrust Division, 10th Street & Pennsylvania Avenue, NW., Washington, DC 20530; and (3) U.S. Department of Transportation, Office of the General Counsel, 400 7th Street, SW., Washington, DC 20590.

Decided: January 3, 2003.

By the Board, Chairman Nober, Vice Chairman Burkes, and Commissioner Morgan.

Vernon A. Williams,
Secretary.

BILLING CODE 4915-00-P**DEPARTMENT OF TRANSPORTATION****Surface Transportation Board****[STB Docket No. AB-33 (Sub-No. 190X)]****Union Pacific Railroad Company—Abandonment Exemption—in Dunn County, WI**

Union Pacific Railroad Company (UP) has filed a notice of exemption under 49 CFR 1152 subpart F—*Exempt Abandonments* to abandon a 2.00-mile line of railroad, known as the Menomonie Industrial Lead, extending from milepost 0.90 near Stout Oak Street to milepost 2.90 near 12th Avenue West, in Dunn County, WI. The line traverses United States Postal Service Zip Code 54751.

UP has certified that: (1) No local traffic has moved over the line for at least 2 years; (2) no overhead traffic has moved over the line for at least 2 years; (3) no formal complaint filed by a user of rail service on the line (or by a State or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Surface Transportation Board (Board) or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.7 (environmental reports), 49 CFR 1105.8 (historic reports), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under

Oregon Short Line R. Co.—Abandonment—Goshen, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on February 9, 2003, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,¹ formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),² and trail use/rail banking requests under 49 CFR 1152.29 must be filed by January 21, 2003. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by January 30, 2003, with: Surface Transportation Board, 1925 K Street, NW., Washington, DC 20423-0001.

A copy of any petition filed with the Board should be sent to UP's representative: Mack H. Shumate, Jr., Senior General Attorney, Union Pacific Railroad Company, 101 North Wacker Drive, Room 1920, Chicago, IL 60606.

If the verified notice contains false or misleading information, the exemption is void *ab initio*.

¹ The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Section of Environmental Analysis (SEA) in its independent investigation) cannot be made before the exemption's effective date. See *Exemption of Out-of-Service Rail Lines*, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

² Each OFA must be accompanied by the filing fee, which currently is set at \$1,100. See 49 CFR 1002.2(f)(25).

UP has filed an environmental report which addresses the abandonment's effects, if any, on the environment and historic resources. SEA will issue an environmental assessment (EA) by January 17, 2003. Interested persons may obtain a copy of the EA by writing to SEA (Room 500, Surface Transportation Board, Washington, DC 20423-0001) or by calling SEA, at (202) 565-1552. (Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1-800-877-8339.) Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), UP shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the line. If consummation has not been effected by UP's filing of a notice of consummation by January 10, 2004, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

Board decisions and notices are available on our Web site at www.stb.dot.gov.

Decided: January 3, 2003.

By the Board, David M. Konschnik,
Director, Office of Proceedings.

Vernon A. Williams,
Secretary.
