[Program Announcement 03012]

Public Health Conference Support Cooperative Agreement Program; Notice of Availability of Funds**A. Authority and Catalog of Federal Domestic Assistance Number**

The CDC program is authorized under section 317 (k) (2) of the Public Health Service Act, [42 U.S.C. 241] as

amended. The Catalog of Federal Domestic Assistance number is 93.283.

The ATSDR program is authorized under sections 104 (i)(14) and (15) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (CERCLA), as amended by the Superfund Amendments and Reauthorization Act of 1986 (SARA), [42 U.S.C. 9604(i)(14) and (15)]. The Catalog of Federal Domestic Assistance number is 93.161 for ATSDR.

B. Purpose

The Centers for Disease Control and Prevention (CDC) and the Agency for Toxic Substances and Disease Registry (ATSDR) announce the availability of fiscal year (FY) 2003 funds for a cooperative agreement program for Public Health Conference Support. This program addresses the "Healthy People 2010" focus areas of Arthritis, Osteoporosis, and Chronic Back Conditions, Cancer, Diabetes, Disability and Secondary Conditions, Educational and Community-Based Programs, Environmental Health, Heart Disease and Stroke, Immunization and Infectious Diseases, Injury and Violence Prevention, Maternal, Infant and Child Health, Occupational Safety and Health, Oral Health, Physical Activity and Fitness, Public Health Infrastructure, Respiratory Diseases, Sexually Transmitted Diseases, and Tobacco Use. HIV Conferences are not permitted under this announcement. For a copy of "Healthy People 2010," visit the Internet site <http://www.health.gov/healthypeople>.

The purpose of conference support funding is to provide partial support for specific non-Federal conferences (not a series) in the areas of health promotion and disease prevention information and education programs, and applied research.

Conference support by CDC/ATSDR creates the appearance of CDC/ATSDR co-sponsorship and Congress has required that there will be active participation by CDC/ATSDR in the development and approval of the conference agenda to make sure there are no subjects that would embarrass the Government or be an improper use of funds. CDC/ATSDR funds will be expended only for approved portions of the conference.

The mission of CDC is to promote health and improve the quality of life by preventing and controlling disease, injury, and disability.

CDC supports faith-based organizations, local, Tribal, State, academic, national, and international health efforts to prevent unnecessary disease, disability, and premature death,
