

of publication of these final results of review. We will direct the Customs Service to assess the resulting assessment rates against the entered customs values for the subject merchandise on each of the importer's/customer's entries during the review period.

### Cash Deposit Requirements

The following deposit requirements will be effective upon publication of this notice of final results of administrative review for all shipments of structural steel beams from the Republic of Korea entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(1) of the Act: (1) the cash deposit rate for each of the reviewed companies will be the rate listed in the final results of review (except that if the rate for a particular product is *de minimis*, i.e., less than 0.5 percent, no cash deposit will be required for that company) see 19 CFR 351.106(c)(1); (2) for previously investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original less than fair value ("LTFV") investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be the "all others" rate of 37.21 percent, which is the all others rate established in the LTFV investigation.

These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

### Notification of Interested Parties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties or countervailing duties occurred and the subsequent assessment of double antidumping duties or countervailing duties.

This notice also serves as a reminder to parties subject to administrative protective orders ("APOs") of their

responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this determination and notice in accordance with sections 751(a)(1) and 771(i) of the Act.

**AGENCY:** National Marine Fisheries Service (NMFS), National Ocean Service (NOS), Commerce.

**ACTION:** Notice of Availability of Federal assistance for coral reef conservation activities.

**SUMMARY:** This document advises the public that the National Oceanic and Atmospheric Administration (NOAA) is soliciting proposals for the NOAA Coral Reef Conservation Grant Program (Program), pursuant to the Coral Reef Conservation Act of 2000 (Act). The Act authorizes the Secretary of Commerce (Secretary), through the NOAA

Administrator (Administrator), and subject to the availability of funds, to provide matching grants of financial assistance for coral reef conservation projects under the Program. This document provides the specific Fiscal Year (FY) 2003 Funding Guidance (Guidance) necessary to award \$5,590,000 in Federal assistance, of which NOAA is providing \$5,240,000 and the Department of the Interior (DOI) is providing \$350,000, consistent with the NOAA Coral Reef Conservation Grant Program Implementation Guidelines (Guidelines) published in the **Federal Register** on Friday, April 19, 2002. The Guidelines can be found at <http://www.coralreef.noaa.gov/>. The information published in this Guidance includes: specific program eligibility criteria, Funding Availability, proposal submittal and selection dates, and detailed application requirements and Application Evaluation criteria. All applications submitted pursuant to this notice must be consistent with the requirements stated herein, the Guidelines, and with "A National Coral Reef Action Strategy" (Strategy), completed in September 2002. The Strategy can also be found at: <http://www.coralreef.noaa.gov/>. Applicants may also request copies of the Strategy from the contacts listed below. Funding will be subject to the availability of federal appropriations.

Initial applications can be submitted by either electronic mail (e-mail) or surface mail; however, one original and two signed copies of the final application must be submitted by surface mail. Applicants should consider the delivery time when submitting their applications from international or remote areas. NOAA intends to provide funding to selected applicants no later than September 30, 2003. The following review and selection timetable applies to all applications under the Program, except the Coral Reef Research Ecosystem Program (see section IV):

Initial Applications due to NOAA—March 14, 2003

NOAA returns proposal comments to applicants—May 9, 2003

Final Applications due to NOAA—June 6, 2003

The NOAA Grants Officer will provide written notice to each successful applicant with written notice of the final funding selection on or before September 30, 2003. It is the goal of the NOAA Program Officer to also provide notice to each unsuccessful applicant before September 30, 2003.

**ADDRESSES:** Initial applications may be submitted by surface mail or e-mail. Submissions by e-mail are preferred. If submitting by surface mail, applicants are encouraged to include a copy of the initial application in electronic format on disk or cd and mail both to: David Kennedy, NOAA Coral Reef Conservation Program Coordinator, Office of Response and Restoration, N/ ORR, Room 10102, NOAA National Ocean Service, 1305 East-West Highway, Silver Spring, MD 20910. Applications submitted by e-mail must be sent to [coral.grants@noaa.gov](mailto:coral.grants@noaa.gov).
