

“Auxiliary Feedwater System,” to better reflect the four train auxiliary feedwater (AFW) system design at STP.

Specifically, the changes specify the same allowed outage time (AOT) for any one inoperable motor-driven pump, regardless of train. The amendments also extend the AOT for one inoperable motor-driven pump from 72 hours to 28 days. A sentence has also been added to Action d. stating that Limiting Condition for Operation (LCO) 3.0.3 and all other LCO actions requiring Mode changes are suspended until one of the four inoperable AFW pumps is restored to operable status. There is also an administrative change in the wording of the LCO to clarify that there are only four AFW pumps in each STP unit.

SECURITIES AND EXCHANGE COMMISSION

Sunshine Act Meeting

Notice is hereby given, pursuant to the provisions of the Government in the Sunshine Act, Pub. L. 94-409, that the Securities and Exchange Commission will hold the following meetings during the week of January 20, 2003. An Open Meeting will be held on Wednesday, January 22, 2003, at 10 a.m., in Room 1C30, the William O. Douglas Room, and a Closed Meeting will be held on Thursday, January 23, 2003, at 10 a.m.

Commissioners, Counsel to the Commissioners, the Secretary to the Commission, and recording secretaries will attend the Closed Meeting. Certain staff members who have an interest in the matters may also be present.

The General Counsel of the Commission, or his designee, has certified that, in his opinion, one or more of the exemptions set forth in 5

U.S.C. 552b(c)(3), (5), (7), (9)(B) and (10) and 17 CFR 200.402(a)(3), (5), (7), (9)(ii) and (10), permit consideration of the scheduled matters at the Closed Meeting.

The subject matter of the Open Meeting scheduled for Wednesday, January 22, 2003 will be:

1. The Commission will consider whether to adopt new rules 30a-3 and 30d-1 and amendments to rules 8b-15, 30a-1, 30a-2, 30b1-1, 30b1-3, and 30b2-1 under the Investment Company Act of 1940, amendments to rules 12b-25, 13a-15, and 15d-15 and Form 12b-25 under the Securities Exchange Act of 1934, amendments to Form N-SAR under the Exchange Act and the Investment Company Act, and new Form N-CSR under the Exchange Act and Investment Company Act. These new rules and form, and rule and form amendments, would require registered management investment companies to file certified shareholder reports on new Form N-CSR with the Commission, and would designate these certified shareholder reports as reports that are required under sections 13(a) and 15(d) of the Exchange Act and Section 30 of the Investment Company Act. A registered management investment company's principal executive and financial officers would be required to certify the information contained in its reports on Form N-CSR in the manner specified by Section 302 of the Sarbanes-Oxley Act of 2002. The amendments would also remove the requirement that Form N-SAR be certified by a registered investment company's principal executive and financial officers, and would provide that, for registered management investment companies, Form N-SAR would be filed under the Investment Company Act only. In addition, the amendments would implement Sections 406 and 407 of the Sarbanes-Oxley Act by requiring a registered management investment company to provide disclosure on Form N-CSR or Form N-SAR, as applicable, regarding whether the investment company has adopted a code of ethics for the company's principal executive officer and senior financial officers, and whether the investment company has at least one "audit committee expert" serving on its audit committee, and if so, the name of the expert and whether the expert is independent of management.

2. The Commission will consider adopting rules to establish standards of professional conduct for attorneys who appear and practice before the Commission in any way in the representation of issuers. As proposed, the rules would require an attorney to report evidence of a material violation of securities laws, a material breach of fiduciary duty, or similar material violation by the issuer or by any officer, director, employee, or agent of the issuer to the issuer's chief legal officer or the chief executive officer of the company (or the equivalents); if they do not respond appropriately to the evidence, the rule would require the attorney to report the evidence to the issuer's audit committee, another committee of independent directors, or the full board of directors; if the directors do not respond appropriately, the rule would
