[Docket No. RP02-382-003]

Crossroads Pipeline Company; Notice of Compliance Filing

January 14, 2003.

Take notice that on January 3, 2003, Crossroads Pipeline Company (Crossroads), tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, the following revised tariff sheets with a proposed effective date of August 1, 2002:

Second Substitute First Revised Sheet No. 85
Substitute Original Sheet No. 85A

Crossroads states that it made a filing with the Commission on July 2, 2002 to include a new Section 4.2(i) to Section 4.2 of the General Terms and Conditions (GTC) of its FERC Gas Tariff to permit it, under certain limited circumstances, to reserve capacity that is available for firm service under the provisions of GTC Section 4.2 for future expansion projects. The Commission approved the filing on July 31, 2002 (100 FERC ¶ 61,131 (2002)), subject to modifications. Columbia filed its first compliance filing in this docket on August 15, 2002, which modified tariff language consistent with the July 31 Order. The Commission issued an order on the compliance filing and rehearing on December 19, 2002 (101 FERC ¶ 61,307). In this order, the Commission accepted the August 15 filing, subject to further modification. The instant filing incorporates the required modifications.

Crossroads states that copies of its filing have been mailed to all firm customers, interruptible customers, and affected state commissions.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with section 385.211 of the Commission's Rules and Regulations. All such protests must be filed in accordance with section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. This filing is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "FERRIS" link. MIGC, Inc.; Notice of Compliance Filing

January 14, 2003.

Take notice that on January 9, 2003, MIGC, Inc. (MIGC) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No.1, Sub 1st Rev Second Revised Sheet No. 83, to become effective October 1, 2002.

MIGC asserts that the purpose of this filing is to correct an inadvertent omission in its tariff of a North American Energy Standards Board (NAESB) standard. MIGC proposes to revise its tariff to add language to the capacity release procedures for biddable releases of one year or more which requires transporter to issue a contract within one hour of award posting and provides for nomination beginning at the next available nomination cycle. This revision is consistent with Standard 5.3.2 of Version 5.1 of the NAESB.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with section 385.211 of the Commission's Rules and Regulations. All such protests must be filed in accordance with section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Tennessee Gas Pipeline Company; Notice of Tariff Filing

January 14, 2003.

Take notice that on January 7, 2003, Tennessee Gas Pipeline Company (Tennessee), tendered for filing as part of its FERC Gas Tariff, Fifth Revised Volume No. 1, the following tariff sheets, with an effective date of March 1, 2003:

Fourth Revised Sheet No. 366.
Second Revised Sheet No. 366A.
Second Revised Sheet No. 366B.

Tennessee's filing requests that the Commission approve certain revisions to Tennessee's FERC Gas Tariff that would result in the subsidization of Tap Facilities construction costs being treated in a manner similar to the current subsidization of Connecting Facilities construction costs pursuant to Tennessee's tariff. Tennessee also proposes revisions intended to simplify the requirements for posting notice of such subsidies on Tennessee's PASSKEY system.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene.
