of the Endangered Species Act of 1973, as amended (Act). We also amended two HCPs and associated permits. In addition, we issued two permits for Safe Harbor Agreements and one permit for a Candidate Conservation Agreement with Assurances, pursuant to section 10(a)(1)(A) of the Act.

FOR FURTHER INFORMATION CONTACT: If you would like copies of any of the above documents, please contact Shelly

McKeever, Administrative Assistant, at telephone (503) 231-6241.
SUPPLEMENTARY INFORMATION: Section 9 of the Act and Federal regulation prohibit the take of wildlife species listed as endangered or threatened, respectively. Under the Act, the term "take" means to harass, harm, pursue, hunt, shoot, wound, kill, trap, capture, or collect listed wildlife, or to attempt to engage in any such conduct. The Service may, under limited circumstances, issue permits to

authorize take that is incidental to, and not the purpose of, carrying out an otherwise lawful activity. Regulations governing permits for threatened and endangered species are found in 50 CFR 17.32 and 17.22.
 Between November 14, 2001, and November 22, 2002, Region 1 of the Service issued or amended the following permits for incidental take of threatened and endangered species, pursuant to section 10(a)(1)(B) and section 10(a)(1)(A) of the Act. We issued

or amended each permit after making the following determinations: the application had been submitted in good faith; all permit issuance criteria were met, including the requirement that granting the permit will not jeopardize the continued existence of listed species; and the permit was consistent with the Act and applicable regulations, including a thorough review of the environmental effects of the action and alternatives pursuant to the National Environmental Policy Act of 1969.
