³ If one of the above named companies does not qualify for a separate rate, all other exporters of porcelain-on steel cooking ware from the People's Republic of China who have not qualified for a separate rate are deemed to be covered by this review as part of the single PRC entity of which the named exporters are a part.

⁴ In the countervailing duty investigation of Honey from Argentina, the Department solicited information from the Government of Argentina (GOA) on an aggregate or industry-wide basis in accordance with section 777A(e)(2)(B) of the Act, rather than from individual producers and exporters, due to the large number of producers and exporters of Honey in Argentina. See *Final Affirmative Countervailing Duty Determination: Honey from Argentina*, 66 FR 50613-01 (October 4, 2001). In accordance with section 351.213(b) of the regulations, the GOA and the petitioners have requested an administrative review of this countervailing duty order. No individual exporters requested the review pursuant to section 351.213(b) of the regulations. Accordingly, the Department will be conducting the review of this order on an aggregate basis.

The GOA has requested that the period of review for this review be extended to include not only calendar year 2001 but also calendar year 2002. We are initiating this review for calendar year 2001, however, we are actively considering this request, and we will solicit comments from interested parties on this issue. After careful consideration of these comments, we will timely inform parties of our decision.

During any administrative review covering all or part of a period falling between the first and second or third and fourth anniversary of the publication of an antidumping duty order under § 351.211 or a determination under § 351.218(f)(4) to continue an order or suspended investigation (after sunset review), the Secretary, if requested by a domestic interested party within 30 days of the date of publication of the notice of initiation of the review, will determine whether antidumping duties have been absorbed by an exporter or producer subject to the review if the subject merchandise is sold in the United States through an importer that is affiliated with such exporter or producer. The request must include the name(s) of the exporter or producer for which the inquiry is requested.

Interested parties must submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305.

These initiations and this notice are in accordance with section 751(a) of the Tariff Act of 1930, as amended (19 U.S.C. 1675(a)), and 19 CFR 351.221(c)(1)(i).

Dated: January 15, 2003.

Senior Office Director, Group II, Office 4,
Import Administration.
