*Executive Order 12988, Civil Justice Reform*

*Executive Order 13175, Consultation and Coordination With Indian Tribal Governments*

In accordance with E.O. 13175, we have found that this final rule would not include policies that have tribal implications. The rule would not affect lands held for the benefit of Indians, Aleuts, and Eskimos. The rule would apply only to persons driving OHVs on certain public lands in Utah.

*Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use*

It will have no discernible effect on the production or sale of energy minerals, and any effect on the consumption of such minerals, either in manufacturing OHV equipment or traveling to OHV areas, will be imperceptible, since the provision should not have a measurable effect on either activity.

[Inv. No. 337-TA-462]

### In the Matter of Certain Plastic Molding Machines with Control Systems Having Programmable Operator Interfaces Incorporating General Purpose Computers, and Components Thereof II; Notice of Commission Decision To Reverse an ALJ Determination on Statutory Authority and To Vacate ALJ Order No. 29; Termination of the Investigation

**AGENCY:** International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the U.S. International Trade Commission has determined to reverse an ALJ determination that subsection 337(g)(2) of the Tariff Act of 1930, as amended, 19 U.S.C. 1337(g)(2), contains the authority to issue a general exclusion order in an investigation in which all respondents appeared and have been terminated on the basis of settlement agreements. The Commission has also determined to vacate ALJ Order No. 29, denying a motion for summary determination of violation. Finally, the Commission has determined to terminate this investigation without reaching the issue of violation. The Commission will issue its Opinion shortly.

**FOR FURTHER INFORMATION CONTACT:** Jean Jackson, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street, SW.,

All named respondents have been terminated from the investigation on the basis of settlement agreements.

On April 18, 2002, Milacron filed a motion to amend the procedural schedule so that it would have an opportunity to file a motion for summary determination of violation of section 337 and to request a general exclusion order. On April 24, 2002, the ALJ issued Order No. 27, granting Milacron's request to amend the procedural schedule in the investigation to allow Milacron the opportunity to file a motion for summary determination of violation and to seek a general exclusion order under Commission rule 210.16 (c)(2).
