Wisconsin Public Service Corporation, Complainant, v. Midwest Independent Transmission System Operator, Inc., Respondent; Notice of Filing

January 15, 2003.

Take notice that on January 13, 2003, Wisconsin Public Service Corporation (WPS) tendered for filing a complaint against the Midwest Independent Transmission System Operator, Inc. (MISO).

The complaint requests that the Commission order MISO to merge two transmission service requests as a complete path from source to sink and to allow WPS to reassign the receipt point for this transmission path to an alternate receipt point.

WPS states that copies of the filing were served on MISO.

Any person desiring to be heard or to protest this filing should file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. The answer to the complaint and all comments, interventions or protests must be filed on or before the comment date. This filing is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "FERRIS" link. Red Lake Gas Storage, L.P.; Notice of Meeting With the Hualapai Nation Regarding the Proposed Red Lake Gas Storage Project

January 15, 2003.

The staff of the Federal Energy Regulatory Commission (Commission) is issuing this notice to announce the date and location of a meeting with the Hualapai Nation to address certain issues regarding the proposed Red Lake Gas Storage Project. The meeting will be held on January 24, 2003, at 1 pm, at the Hualapai Nation's Tribal Multipurpose Building in Peach Springs, Arizona 86434.

The Commission staff will be preparing an environmental assessment (EA) for Red Lake Gas Storage, L.P.'s proposed project in Mohave County, Arizona, in cooperation with the U.S. Department of the Interior, Bureau of Land Management (BLM), Arizona Department of Environmental Quality (ADEQ), and the Arizona Game and Fish Department (AGFD). The planned facilities would consist of two solution-mined underground salt caverns, about 52 miles of various diameter pipeline, a 25,000-horsepower (hp) compressor station, a 9,000-hp compressor station, four water withdrawal wells, four brine disposal wells, and appurtenant facilities. The EA will be used by the Commission in its decision-making process to determine whether the project is in the public convenience and necessity.

In view of the potential for impacts to resources of special concern to the Hualapai Nation resulting from construction of the proposed project, the meeting will not be open to the public. Attendance at the meeting will be limited to the Hualapai Tribal Council, members of the Hualapai Tribe, and representatives of the Commission, BLM, ADEQ, and AGFD.

Magalie R. Salas,
Secretary.
