

introduction of the web-based progress reporting system. It is assumed that states will experience a learning curve in using this application, and the

reported burden will be reduced once they have familiarized themselves with this system. The only cost to respondents is the time required to

complete the web-based progress reports.

Healthcare Infection Control Practices Advisory Committee (HICPAC): Meeting

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), the Centers for Disease Control and Prevention (CDC) announces the following meeting.

Name: Healthcare Infection Control Practices Advisory Committee.

Time and Date: 10 a.m.–6 p.m., February 3, 2003.

Place: Crowne Plaza Atlanta Airport, 1325 Virginia Avenue, Atlanta, GA 30344.

Status: Open to the public, limited only by the space available.

Purpose: The Committee is charged with providing advice and guidance to the Secretary, the Assistant Secretary for Health, the Director, CDC, and the Director, National Center for Infectious Diseases (NCID), regarding (1) the practice of hospital infection control; (2) strategies for surveillance, prevention, and control of infections (e.g., nosocomial infections), antimicrobial resistance, and related events in settings

where healthcare is provided; and (3) periodic updating of guidelines and other policy statements regarding prevention of healthcare associated infections and healthcare-related conditions.

Matters To Be Discussed: Agenda items will include infection control precautions for patients with vaccinia-related adverse events and respiratory protection options for healthcare workers potentially exposed to patients with pneumonic plague and smallpox.

Agenda items are subject to change as priorities dictate.

Contact Person for More Information: Michele L. Pearson, M.D., Executive Secretary, HICPAC, Division of Healthcare Quality Promotion, NCID, CDC, 1600 Clifton Road, NE, M/S A-07, Atlanta, Georgia 30333, telephone 404-498-1182.

Due to programmatic issues that had to be resolved, the Federal notice is being published less than fifteen days before the date of meeting.

The Director, Management Analysis and Services Office, has been delegated the authority to sign **Federal Register** notices pertaining to announcements of meetings and other committee management activities, for both the Centers for Disease Control and Prevention and the Agency for Toxic Substances and Disease Registry.

Dated: January 23, 2003.

Joseph E. Salter,
Acting Director, Management Analysis and Services Office, Centers for Disease Control and Prevention.

Proposed Information Collection Activity; Comment Request

Proposed Projects

Title: 45 CFR 1303—Appeal Procedures for Head Start Grantees and Current or Prospective Delegate Agencies.

OMB No.: 0980-00242.

Description: Section 646 of the Head Start Act requires the Secretary to prescribe a timeline for conducting administrative hearings when adverse actions are taken or proposed against Head Start or Early Head Start grantees or delegate agencies. The Head Start Bureau is proposing to renew this rule, which implements these requirements that prescribe when a grantee must submit information and what that information should include to support a contention that adverse action should not be taken.

Respondents: Head Start and Early Head Start grantees and delegate agencies against which the Head Start Bureau has taken or proposes to take adverse actions.

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
Report	10	1	26	260
Estimated Total Annual Burden Hours:				260

In compliance with the requirements of Section 3506(c)(2)(A) of the

Paperwork Reduction Act of 1995, the Administration for Children and

Families is soliciting public comment on the specific aspects of the

information collection described above. Copies of the proposed collection of information can be obtained and comments may be forwarded by writing to the Administration for Children and Families, Office of Information Services, 370 L'Enfant Promenade, SW., Washington, DC 20447, Attn: ACF Reports Clearance Officer. All requests should be identified by the title of the information collection.

The Department specifically requests comments on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use

of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted within 60 days of this publication.

Dated: January 21, 2003.

Bob Sargis,

Reports Clearance Officer.

Proposed Projects

Title: Examining Services and Best Practices of Intermediary Organizations.

OMB No.: 0970-0207.

Description: The Head Start program is proposing to renew the Head Start Program Grant Application and Budget Instrument, which standardizes the grant application information that is requested from all Head Start grantees applying for continuation grants. The application and budget forms are available on a data diskette and can be transmitted electronically to Regional and Central Offices. The Administration for Children, Youth and Families believes that, in promulgating this application document, the process of applying for Head Start program grants is made more efficient for applicants.

Respondents: Head Start Program grants recipients.

OMB No.: New Collection.

Description: Currently, DHHS/ACF is conducting the project "Examining Services and Best Practices of Intermediary Organizations and the Faith- and Community-Based Organizations They Serve." The purpose of the project will be to examine (1) The role of intermediary organizations in assisting faith- and community-based organizations in building their capacity to serve needy individuals and families; (2) innovative and best practices among intermediary organizations; (3) promising practices among faith- and community-based organizations; (4) methods to evaluate the services of both types of organizations; and (5) methods to assess and benchmark performance among faith- and community-based groups. Priority will be given to programs that focus on the following areas: homelessness, hunger, at-risk children, transition from welfare to work, and intensive rehabilitation.

Respondents:
