Title: Statement of Holder or Servicer of Veteran's Loan, VA Form 26-559.

OMB Control Number: 2900-0112.

Type of Review: Extension of a currently approved collection.

Abstract: Veteran-borrowers may sell their homes subject to the existing VA-guaranteed mortgage lien without prior approval of VA if the commitment for the loan was made prior to March 1, 1988. However, if they request release from personal liability to the Government in the event of a subsequent default by a transferee, VA must determine that (1) loan payments are current; (2) the transferee will assume the veteran's legal liabilities in connection with the loan; and (3) the purchaser qualifies from a credit standpoint. A veteran-borrower may sell his or her home to a veteran-transferee. However, eligible transferees must meet all the requirements in addition to having sufficient available loan guaranty entitlement to replace the amount of entitlement used by the seller in obtaining the original loan.
