 Comment Request**

ACTION: Notice and request for comments.

SUMMARY: The Federal Emergency Management Agency (FEMA), as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed continuing information collections. In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3506(c)(2)(A)), this notice seeks comments concerning FEMA Form 85-3, National Defense Executive Reserve Personal Qualifications Statement. The form is used by Federal departments and agencies to recruit members for the National Defense Executive Reserve (NDER) program.

SUPPLEMENTARY INFORMATION: The NDER program was established by the Defense Production Act of 1950, as amended, Section 710(e). Under Executive Order 12919, National Defense Industrial Resources Preparedness, June 3, 1994, Part VI, Section 601, the Director of the Federal Emergency Management Agency coordinates the NDER program activities of departments and agencies that have NDER units. The NDER is composed of persons with recognized expertise from industry, organized labor, professional groups, and academia to serve in executive positions in the Federal Government during the event of an emergency that requires such employment. The head of a department or agency may activate an NDER unit in

whole or in part, upon the written determination that an emergency affecting the national security or defense preparedness of the United States exists, and that the activation of the unit is necessary to carry out the emergency program functions of the department or agency.

OMB Number: 3067-0001.

Form Numbers: FEMA Form 85-3, National Defense Executive Reserve Personal Qualifications Statement.

Abstract: The NDER is a Federal government program coordinated by FEMA. FEMA Form 85-3 is an application form that is used by Federal departments and agencies to fill NDER vacancies and to ensure that individuals are qualified to perform in the assigned emergency positions. Affected Public: Individuals or Households.

Estimated Total Annual Burden Hours: 25 hours.

Estimated Cost: The estimated annual hour burden for this collection is 25 hours. This estimate is based on 50 respondents completing this application form in approximately 30 minutes. (50 respondents x 30 minutes = 25 burden hours).

Comments: Written comments are solicited to (a) evaluate whether the proposed data collection is necessary for the proper performance of the Agency, including whether the information shall have practical utility; (b) evaluate the accuracy of the Agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) enhance the quality, utility, and clarity of the information to be collected; and (d) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
