SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-47289; File No. SR-ISE-2002-28]

Self-Regulatory Organizations; International Securities Exchange LLC; Order Granting Approval to Proposed Rule Change To Increase the Number of Authorized Shares of Class B Common Stock, Series B-2 From 100 to 130

January 30, 2003.

On November 21, 2002, the International Securities Exchange LLC ("Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to increase the number of authorized shares of Class B Common Stock, Series B-2 from 100 to 130. This increase would result in the creation of 30 additional Competitive Market Maker ("CMM") Memberships.³ The proposed rule change was published for comment in the **Federal Register** on December 27, 2002.⁴ The Commission received no comments on the proposal. This order approves the proposed rule change.

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder

applicable to a national securities exchange,⁵ and in particular, the requirements of Section 6 of the Act⁶ and the rules and regulations thereunder. The Commission finds that the proposal to increase the number of authorized shares of Class B Common Stock, Series B-2 from 100 to 130, resulting in the creation of 30 additional CMM Memberships, is consistent with Section 6(b)(5) of the Act⁷ because it is designed to promote just and equitable principals of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

Specifically, the Commission believes that the sale of 30 additional CMM Memberships may increase the depth and liquidity of the Exchange's market. It may also provide more broker-dealers with an opportunity to participate on the Exchange. The Exchange also represented that it has carefully evaluated its systems capacity and believes that it has more than sufficient capacity to handle the increased number of CMM Members without any adverse effects. Furthermore, the Exchange noted that it would require a purchaser of one of these new Memberships that is not already a CMM to meet all Exchange requirements currently applicable to CMM Members.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁸ that the proposed rule change (File No. SR-ISE-2002-28) be, and it hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁹

Deputy Secretary.
