

the extent to which the applicant may need to exercise eminent domain to obtain rights-of-way for the proposed project and balances that against the non-environmental benefits to be provided by the project. Therefore, if a person has comments on community and landowner impacts from this proposal, it is important either to file comments or to intervene as early in the process as possible.

Motions to intervene, protests and comments may be filed electronically via the internet in lieu of paper; see 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the "e-Filing" link. The Commission strongly encourages electronic filings.

If the Commission decides to set the application for a formal hearing before an Administrative Law Judge, the Commission will issue another notice describing that process. At the end of the Commission's review process, a final Commission order approving or denying a certificate will be issued. *Comment Date:* February 20, 2003.

Old Dominion Electric Cooperative, Complainant v. Public Service Electric and Gas Company, Respondent; Notice of Amended Complaint

January 29, 2003.

Take notice that on January 24, 2003, pursuant to Rules 206, 212 and 716 of the Federal Power Act, Old Dominion Electric Cooperative (Old Dominion) filed with the Federal Energy Regulatory Commission (Commission) an amended complaint against Public Service Electric and Gas Company (PSE&G) requesting that the Commission: consider Old Dominion's previously-filed complaint action against PSE&G, as amended; on its merits; find that the rate pancaking to Old Dominion under a bundled power sales contract between Old Dominion and PSE&G is unjust, unreasonable, and unduly discriminatory; order and direct that the transmission component in the bundled rate of PSE&G under the contract be eliminated; and on a fast-track basis, direct that PSE&G defer any claim or demand for payment of past due amounts prior to final Commission determination of the matters and proceedings discussed in Old Dominion's motion or grant a stay pending final Commission determination on such matters.

Old Dominion states that copies of the filing were served upon PSE&G, PJM, Delmarva Power & Light Company, and

the Delaware Public Service Commission. Old Dominion is not aware of any other parties that may be expected to be affected by the complaint.

Any person desiring to be heard or to protest this filing should file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. The answer to the complaint and all comments, interventions or protests must be filed on or before the comment date. [Docket No. CP03-40-000]

Sid Richardson Energy Services, Ltd.; Notice of Application

January 30, 2003.

On January 21, 2003, Sid Richardson Energy Services, Ltd. (Richardson), 201 Main Street, Suite 3000, Fort Worth, Texas 76102, filed an application in

Docket No. CP03-40-000, pursuant to Rule 207(a)(2) of the Rules of Practice and Procedure of the Federal Energy Regulatory Commission (Commission) 18 CFR 385.207(a)(2), for a declaratory order declaring that Richardson's ownership and operation of certain facilities to be purchased from Northern Natural Gas Company (Northern) will not subject Richardson or its rates, services, facilities, or operations, to the Commission's jurisdiction under the Natural Gas Act. This filing is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "FERRIS" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, contact FERC at FERCOnlineSupport@ferc.gov or call toll-free, (866) 208-3676, or for TTY, (202) 502-8659.

Richardson states that it is purchasing from Northern 26.82 miles of 16-inch pipeline between the outlet of Richardson's Jal Processing Plant (at Northern's block value #836BBB02) and Northern's Kermit compressor station, which will allow Richardson to use its processing/treating plants and gathering systems more efficiently.

Richardson further states that it will operate the subject pipeline as part of its non-jurisdictional gathering and processing operations. Accordingly, Richardson states that under the Commission's primary function test, the subject facilities should be declared exempt from the Commission's jurisdiction pursuant to Section 1(b) of the Natural Gas Act. Richardson states that Northern will be abandoning the subject facilities pursuant to its Subpart F blanket certificate authority and the automatic abandonment provisions of 18 CFR 157.216.

Any questions regarding this application may be directed to Richard Moncrief, Sid Richardson Energy Services, Ltd., 201 Main Street, Suite 3000, Fort Worth, Texas 76102 at (817) 339-7480 or Joseph S. Koury, Wright & Talisman, P.C., 1200 G Street, NW., Suite 600, Washington, DC 20005 at (202) 393-1200.

There are two ways to become involved in the Commission's review of this project. First, any person wishing to obtain legal status by becoming a party to the proceedings for this project should, on or before the comment date stated below, file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene in accordance with the requirements of the Commission's Rules of Practice and
