Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

The Department has received requests to conduct an administrative review of the antidumping duty order on ball bearings and parts thereof from Japan. On June 25, 2002, the Department initiated this administrative review covering the period May 1, 2001, through April 30, 2002. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocations in Part*, 67 FR 42753.

Therefore, in accordance with that section, the Department is extending the time limit for the preliminary results of this administrative review until March 3, 2003.

Extruded Rubber Thread from Malaysia; Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Rescission of the Antidumping Duty Administrative Review for the Period October 1, 2001, through September 30, 2002.

EFFECTIVE DATE: February 6, 2003.

FOR FURTHER INFORMATION CONTACT: Irina Itkin or Elizabeth Eastwood, Office of AD/CVD Enforcement Group I, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-0656 or (202) 482-3874, respectively.

SUPPLEMENTARY INFORMATION:

Background

On October 2, 2002, the Department published in the **Federal Register** (67 FR 61849) a notice of opportunity to request an administrative review of the antidumping order regarding extruded rubber thread from Malaysia for the period October 1, 2001, through September 30, 2002. In accordance with 19 CFR 351.213(b)(2), on October 31, 2002, one producer/exporter of extruded rubber thread (i.e., Heveafil Sdn. Bhd. and Filmak Sdn. Bhd. (collectively "Heveafil")) requested a review of the antidumping duty order on extruded rubber thread from Malaysia.

On November 22, 2002, the Department initiated an administrative review for this company (67 FR 70402) and issued it a questionnaire. Heveafil requested an extension to respond to the questionnaire on December 10, 2002, which the Department granted.

On January 13, 2003, Heveafil withdrew its request for review.

Rescission of Review

Heveafil withdrew its request for an administrative review for the above-referenced period on January 13, 2003. Therefore, because no other interested party requested a review for this period

of review, in accordance with 19 CFR 351.213(d)(1) and consistent with our practice, we are rescinding this review of the antidumping duty order on extruded rubber thread from Malaysia for the period of October 1, 2001, through September 30, 2002. This notice is published in accordance with section 751 of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: January 31, 2003.

Honey From Argentina: Initiation of New Shipper Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: February 6, 2003.

FOR FURTHER INFORMATION CONTACT: Phyllis Hall or Donna Kinsella at (202) 482-1398 or (202) 482-0194, respectively; Antidumping and Countervailing Duty Enforcement Group III, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

The Applicable Statute

Unless otherwise indicated, all citations to the statute are references to the Tariff Act of 1930, as amended. In addition, unless otherwise indicated, all citations to the Department's regulations are references to the provisions codified at 19 CFR part 351 (2002).

Background

The Department received a timely request from Nutrin, S.A., the exporter and Nutrin Corporation, its affiliated U.S. company (collectively, Nutrin) in accordance with 19 CFR 351.214(c), for a new shipper review of the antidumping duty order on honey from Argentina, which has a December annual anniversary month. See Notice of Antidumping Duty Order; Honey from Argentina, 66 FR 63672 (December 10, 2001). As required by 19 CFR 351.214(b)(2)(i), (ii) and (iii)(A), the company identified above and its supplier of subject merchandise have certified that they did not export honey

to the United States during the period of investigation (POI), and that neither have been affiliated with any exporter or producer which did export honey during the POI. Pursuant to the Department's regulations at 19 CFR 351.214(b)(2)(iv)(A), Nutrin submitted documentation establishing the date on which it first shipped the subject merchandise to the United States, the volume of that first shipment, and the date of the first sale to an unaffiliated customer in the United States.

In accordance with section 751(a)(2)(B) of the Act, as amended, and 19 CFR 351.214(d)(i), and based on information on the record, we are initiating a new shipper review for Nutrin S.A.

Scope

The merchandise under review is honey from Argentina. For purposes of this review, the products covered are natural honey, artificial honey containing more than 50 percent natural honey by weight, preparations of natural honey containing more than 50 percent natural honey by weight, and flavored honey. The subject merchandise includes all grades and colors of honey whether in liquid, creamed, comb, cut comb, or chunk form, and whether packaged for retail or in bulk form.

The merchandise under review is currently classifiable under subheadings 0409.00.00, 1702.90.90, and 2106.90.99 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and U.S. Customs Service (Customs) purposes, the Department's written description of the merchandise under this order is dispositive.

Initiation of Review

In accordance with section 751(a)(2)(B)(ii) of the Act and 19 CFR 351.214(d)(1), we are initiating a new shipper review of the antidumping duty order on honey from Argentina. Therefore, we intend to issue the preliminary results of this review not later than 180 days after the date on which the review is initiated. We intend to issue the final results of this review within 90 days after the date on which the preliminary results were issued.

Pursuant to 19 CFR 351.214(g)(1)(ii)(A) of the Department's regulations, the period of review (POR) for a new shipper review initiated in the month immediately following the annual anniversary month, the review will normally cover as appropriate entries, exports or sales during the period from the date of suspension of liquidation under this part to the end of

the month immediately preceding the first anniversary month. Therefore, the POR for this new shipper review is:

Antidumping duty proceeding	Period to be reviewed
Nutrin, S.A.	05/11/01—11/30/02

We will instruct the Customs Service to allow, at the option of the importer, the posting, until the completion of the review, of a single entry bond or security in lieu of a cash deposit for each entry of the merchandise exported by the above-listed company. This action is in accordance with 19 CFR 351.214(e). Interested parties that need access to proprietary information in this new shipper review should submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305 and 351.306. This initiation and notice are in accordance with section 751(a) of the Act (19 U.S.C. 1675(a)) and 19 CFR 351.214(d).

Dated: January 31, 2003.

Joseph A. Spetrini,

Deputy Assistant Secretary for Import Administration, Group III.
