Defense Science Board

AGENCY: Department of Defense

ACTION: Notice of Advisory Committee Meetings

SUMMARY: The Defense Science Board Task Force on Future Strategic Strike Forces will meet in closed session on February 20-21, 2003; March 19-20, 2003; April 24-25, 2003; May 22-23, 2003; June 18-19, 2003; and July 23-24, 2003, at SAIC, 4001 N. Fairfax Drive, Arlington, VA. The Task Force will assess the future strategic strike force needs of the Department of Defense.

The mission of the Defense Science Board is to advise the Secretary of Defense and the Under Secretary of Defense for Acquisition, Technology & Logistics on scientific and technical matters as they affect the perceived needs of the Department of Defense. At these meetings, the Task Force will: assess the estimated systems life of the current nuclear strike forces; assess the future need for nuclear strike forces and recommend a strategy for the evolution of the current nuclear force capability; identify promising non-nuclear strike systems with such capabilities and consequence that they should be coherently planned and directed with strategic nuclear forces; identify new concepts and approaches, to include hypersonics, for the application of these strategic nuclear and non-nuclear forces that address the future strategic environment.

In accordance with section 10(d) of the Federal Advisory Committee Act, Public Law No. 92-463, as amended (5 U.S.C. App. II), it has been determined that these Defense Science Board Task Force meetings concern matters listed in 5 U.S.C. 552b(c)(1) and that, accordingly, these meetings will be closed to the public.

Dated: February 3, 2003.

DEPARTMENT OF EDUCATION

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

ACTION: Notice of proposed information collection requests.

SUMMARY: The Leader, Regulatory Management Group, Office of the Chief Information Officer, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: An emergency review has been requested in accordance with the Act (44 U.S.C. chapter 3507 (j)), since public harm is reasonably likely to result if normal clearance procedures are followed. Approval by the Office of Management and Budget (OMB) has been requested by February 14, 2003. A regular clearance process is also beginning. Interested persons are invited to submit comments on or before April 8, 2003.

ADDRESSES: Written comments regarding the emergency review should be addressed to the Office of Information and Regulatory Affairs, Attention: Karen Lee, Desk Officer: Department of Education, Office of Management and Budget, 725 17th Street, NW., Room 10235, New Executive Office Building, Washington, DC 20503 or should be electronically mailed to the Internet address Karen_F_Lee@omb.eop.gov.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35) requires that the Director of OMB provide interested Federal agencies and the public an early opportunity to comment on information collection requests. The Office of Management and Budget (OMB) may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Regulatory Management Group, Office of the Chief Information Officer, publishes this notice containing proposed information collection requests at the beginning of the

Departmental review of the information collection. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g., new, revision, extension, existing or reinstatement; (2) title; (3) summary of the collection; (4) description of the need for, and proposed use of, the information; (5) respondents and frequency of collection; and (6) reporting and/or recordkeeping burden. ED invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on respondents, including through the use of information technology.

Dated: February 4, 2003.

John D. Tressler,

Leader, Regulatory Management Group, Office of the Chief Information Officer.

Office of Special Education and Rehabilitative Services
