Applicants must meet the eligibility requirements in the 2002 Farm Bill and this Notice, submit an application for recognition, and submit evidence of ability to provide the requisite matching funds if federal funding is provided.

DATES: Applications must be submitted by 5 p.m. Eastern Time, April 21, 2003. Applications received after that date will be reviewed on a first come basis in order to receive Federal recognition. Applicants are encouraged to apply as soon as possible. Background

The National Rural Development Partnership began in 1990 as a component of the President's Initiative on Rural America. Eight pilot SRDCs were formed in 1990; ten years later, 40 SRDCs were in place.

The 2002 Farm Bill authorizes the continuation of the National Rural Development Partnership, with a slightly modified membership structure. The Farm Bill specifies that membership in the reconstituted National Rural Development Partnership is to consist of a National Rural Development Coordinating Committee (NRDCC) and the SRDCs. The National Rural Development Coordinating Committee will be the subject of a separate appointment process and notice.

The 2002 Farm Bill statutorily recognizes the National Rural Development Partnership and authorizes appropriations specific to it and its members. The statute provides eligibility criteria for recognition as a State Rural Development Council. It is contemplated that the NRDP and its components (SRDCs and the NRDCC) will receive funding from a variety of sources: Federal, state, and private. USDA is responsible for recognizing, and entering into a recognition agreement with, each selected SRDC in accordance with statutory criteria.

Each SRDC that previously participated in the National Rural Development Partnership, and is interested in continuing to be recognized as an SRDC, must apply and be recognized pursuant to this Notice. New applicants are also invited to apply. Potential applicants within a state are encouraged to work together to develop a single application. Only one SRDC per state will be recognized.

A more extensive history can be found at the following Web site: <http://www.rurdev.usda.gov/nrdp/about>.

Definitions

Funding Entity refers to the responsible legal entity which is to receive, hold and disburse funds received from the National Rural Development Partnership for a SRDC.

National Rural Development Partnership (NRDP) refers jointly to recognized State Rural Development Councils and the National Rural Development Coordinating Committee.

National Rural Development Coordinating Committee (NRDCC) refers to a group to be composed of entities and representatives to be approved by the Secretary pursuant to a separate notice further implementing section 6021 of the 2002 Farm Bill.

Rural Area means all the territory of a State that is not within the boundaries of any standard metropolitan statistical area, and all territory within any standard metropolitan statistical area within a census tract having a population density of less than 20 persons per square mile, as determined by the Secretary according to the most recent census of the United States as of any date.

State includes each of the several States, the Commonwealth of Puerto Rico, the Virgin Islands of the United States, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, and, to the extent the Secretary determines it to be feasible and appropriate, the Freely Associated States and the Federated States of Micronesia.

State Rural Development Council (SRDC) refers to an entity recognized as such by the Secretary in an agreement with USDA that confirms the Council meets the eligibility criteria in the 2002 Farm Bill.

2002 Farm Bill refers to Farm Security and Rural Investment Act, Public Law 107-171, enacted on May 13, 2002. Section 6021 of this Act authorizes the Secretary to continue the National Rural Development Partnership and authorizes appropriations for this program.

Eligibility Requirements

As specified in the 2002 Farm Bill, a State Rural Development Council shall:

1. Be composed of representatives of Federal, State, local and tribal governments, nonprofit organizations, regional organizations, the private sector, and other entities committed to rural advancement;

2. Operate with a nonpartisan and nondiscriminatory membership that is broad and representative of the economic, social, and political diversity of the state;

3. Have a structure such that the membership is responsible for the governance and operations of the SRDC; and

4. Provide matching funds, or in-kind goods or services, to support the activities of the SRDC, as more fully described below.

Recognition Agreement

SRDCs will enter into a Recognition Agreement with USDA. The Recognition Agreement will conform in all material respects to the form of agreement provided in Appendix A to this Notice, and will provide for a specific term of recognition. It will require compliance with any regulations as may be promulgated by USDA with respect to the NRD that are not in conflict with this Notice or any enforceable Recognition Agreement.

Duties post-Recognition

As specified in the 2002 Farm Bill, upon entering into a recognition agreement with USDA, the SRDC must:

1. Facilitate collaboration among Federal, State, local, and tribal governments and the private and nonprofit sectors in the planning and implementation of programs and policies that have an impact on rural areas of the State;

2. Monitor, report, and comment on policies and programs that address, or fail to address, the needs of the rural areas of the State;

3. In conjunction with the NRDCC, facilitate the development of strategies to reduce or eliminate conflicting or duplicative administrative or regulatory requirements of Federal, State, local, and tribal governments;

4. Provide to the NRDCC an annual plan with goals and performance measures; and

5. Submit to the NRDCC an annual report on the progress of the SRDC in meeting the goals and measures established in the annual plan.

Further, to assure continuing Farm Bill compliance, changes made to the SRDC's bylaws, organizational structure, rules of governance, or any other modifications that change the SRDC's structure or rules of operation must be provided to USDA immediately.

Each federally-funded SRDC must, as required by the NRDCC, submit an annual report to the NRDCC on the use of the funds, including a description of strategic plans, goals, performance measures and outcomes for the SRDC.

Contents of Application Package

A completed application must include the following:

(1) A brief description of the State Rural Development Council, including

the legal structure, membership categories (e.g., corporate, individual, government agency), and the responsible contact person.

(2) Organizational documents for the SRDC and, if different from the SRDC, the proposed Funding Entity. If the SRDC has 501(c)(3) not for profit corporation status, for example, the organizational documents would consist of the corporate charter and any other document that addresses the legal relationship among the members. If the SRDC has a legal structure other than a corporate form, the organizational documents must reflect how the SRDC was established and the legal relationship among the members.

(3) Rules of governance for the SRDC. The rules of governance must provide evidence that the membership is totally responsible for the governance and operations of the SRDC. If the SRDC has 501(c)(3) not for profit corporation status, for example, a copy of the bylaws must be provided. The RBS reserves the right to grant provisional recognition until June 30, 2004 to an SRDC applicant that must consult with other officials on limited governance matters.

(4) A representative list of members, which must identify a minimum of one, and a maximum of five, member(s) of the Council from each of the following six or (if applicable) seven institutional categories: (a) Federal government, (b) state government, (c) local government, (d) regional organizations, (e) not for profit corporations, (f) private for profit corporations, and (if applicable) (g) federally recognized tribal government. It is acceptable that some members on this representative list come from institutions committed to rural advancement that are not included in the aforementioned categories; such representatives should be placed in category (h) other entities committed to rural advancement (this could include colleges, universities, foundations, etc.). Provide the following information for each member person listed: Name, Institutional affiliation, Institutional category, Contact information (mailing address, telephone and fax numbers, and email address).

(5) A copy of the Council's written policy indicating that it operates in a nonpartisan and nondiscriminatory manner, or, in the alternative, a statement, signed by the Council Chair, indicating that the Council operates in a nonpartisan and nondiscriminatory manner.

(6) (a) A summary description of the key economic, social, and political regions of the rural areas of the state and (b) a summary description of how the Council represents the economic, social

and political make-up of the state's rural areas (e.g., cross-reference the members presented in item (4) above with the regions presented here). This section (6) of the application should not exceed two pages.

(7) Evidence that the SRDC is likely to have sufficient matching funds or in-kind goods or services for the period July 1, 2003 through May 13, 2007 to provide at least 33% in-kind or monetary match for any federal funds that might be provided under the provisions of the 2002 Farm Bill to cover SRDC activities during that period. Such evidence shall include letters of intent (or similar documents) from each organization that will provide matching funds or in-kind goods or services. For the period July 1, 2003 through June 30, 2004, these letters shall indicate intent to provide at least \$25,000 (in total, across all letters) in matching funds or in-kind goods or services. In addition, these letters shall indicate intent to provide additional matching funds or in-kind goods and services for the period July 1, 2004 through May 13, 2007.

Evaluation Considerations

The application materials will be reviewed to confirm that the basic eligibility criteria set forth in the 2002 Farm Bill are met. USDA may seek to independently verify that the representations made in the application are correct.

Application Selection Process

All applicants are encouraged to apply in a timely manner. Applications will be reviewed beginning April 21, 2003. An application may be submitted after this date subject to the proviso that it will not be considered if an SRDC for that State has already been granted recognition and remains in good standing under its Recognition Agreement. In the event that more than one application is received for a state, USDA will permit the applicants to work together to develop a single application that may be resubmitted, such that each state is represented by only one SRDC. In the event multiple applicants that are acceptable from one state do not wish to work together to develop a single application, USDA will choose one of those applicants to be the recognized SRDC. In this case, RBS will use the following criterion to choose the SRDC: Which applicant has the largest number of institutions represented as members (as reported in Item (4) above)? If two or more acceptable applicants are tied on that score, the tie-breaker will be: Which applicant has the largest match (as reported in Item (7) above)?

What and Where to Submit

A complete, original application may be electronically sent as an e-mail attachment to tia.trout@usda.gov. If applications are submitted electronically, a signature page must be submitted in hard copy or via fax. Alternatively, an original application package plus two paper copies may be submitted in hard copy to: Tia Trout, USDA National Rural Development Partnership, MAIL STOP 3205, Room 4225, 1400 Independence Ave., SW., Washington, DC 20250-3205.
