[Docket No. RP91-161-028]

Columbia Gas Transmission Corporation; Notice of Refund Report

February 13, 2003.

Take notice that on October 21, 2002, Columbia Gas Transmission Corporation (Columbia Gas) tendered for filing a report on the flow-back to customers of funds received from insurance carriers for environment costs attributable to Columbia Gas' Docket No. RP91-161 settlement period.

Columbia Gas states that it allocated such recoveries among customers based on their fixed cost responsibility for services on the Columbia Gas system during the period December 1, 1991 through January 31, 1996, the period of the Docket No. RP91-161 settlement.

Columbia Gas further states that it provided copies of the report to all customers who received a share of the environmental issuance recoveries and all state commissions whose jurisdiction includes the location of any such recipient.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed on or before the comment date. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. This filing is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "FERRIS" link. Enter the docket number excluding the last three digits in the docket number field to access the document. Comments, protests and interventions may be filed electronically via the Internet in lieu of paper. [Docket No. ER03-293-000]

North Branch Resources, LLC; Notice of Issuance of Order

February 13, 2003.

North Branch Resources, LLC (North Branch) filed an application requesting authority to transact at market-based rates along with the accompanying tariff. The proposed market-based rate tariff provides for the sale of capacity and energy at market-based rates. North Branch also requested waiver of various Commission regulations. In particular, North Branch requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by North Branch.

On February 11, 2003., pursuant to delegated authority, the Director, Division of Tariffs and Market Development—South, granted the request for blanket approval under part 34, subject to the following:

Any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by North Branch should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is March 13, 2003.

Absent a request to be heard in opposition by the deadline above, North Branch is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of North Branch, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued

approval of North Branch's issuances of securities or assumptions of liability.

Copies of the full text of the Order are available from the Commission's Public Reference Branch, 888 First Street, NE., Washington, DC 20426. The Order may also be viewed on the Commission's Web site at <http://www.ferc.gov>, using the "FERRIS" link. Pacific Gas and Electric Company; Notice of Filing

February 13, 2003.

Take notice that on February 12, 2003, Pacific Gas and Electric Company (PG&E) filed an errata to replace and correct tariff sheets to its December 20, 2002 filing of Transmission Owner Tariff (TO Tariff) rate for the Transmission Revenue Balancing Account Adjustment, the Reliability Services rate, and the Transmission Access Charge Balancing Account Adjustment also set forth in its TO Tariff. The Errata corrects certain word processing errors in Appendices I and II of the filing. None of the replacement pages contains a change in rates as originally proposed in the December 20, 2002 filing.

PG&E states that copies of this filing have been served upon the California Independent System Operator (ISO), Scheduling Coordinators registered with the ISO, Southern California Edison Company, San Diego Gas & Electric Company, the California Public Utilities Commission and other parties to the official service lists in this docket and recent TO Tariff rate cases, FERC Docket Nos. ER00-2360-000 and ER01-66-000.

Any person desiring to intervene or to protest this filing should file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC
