Rules of Origin for Textile and Apparel Products

AGENCY: Customs Service, Department of the Treasury.

ACTION: Final rule.

SUMMARY: This document adopts as a final rule, with a clarification, the interim rule amending the Customs Regulations to align the existing country of origin rules for certain textile and apparel products with the statutory amendments to section 334 of the Uruguay Round Agreements Act, as set forth in section 405 within title IV of the Trade and Development Act of 2000. The document also adopts as final the interim rule making technical corrections to the rules of origin for textile and apparel products.

EFFECTIVE DATE: February 25, 2003.

FURTHER INFORMATION CONTACT: Cynthia Reese, Textile Branch, Office of Regulations and Rulings, U.S. Customs Service, Tel. (202) 572–8790.

SUPPLEMENTARY INFORMATION:

Background

Section 334 of the Uruguay Round Agreements Act (URAA), Public Law 103–465, 108 Stat. 4809 (19 U.S.C. 3592), directs the Secretary of the Treasury to prescribe rules implementing certain principles for determining the origin of textiles and apparel products. Section 102.21 of the Customs Regulations (19 CFR 102.21) implements section 334 of the URAA. Section 405 of title IV of the Trade and Development Act of 2000 (the Act), Public Law 106–200, 114 Stat. 251, amended section 334 of the URAA. Specifically, section 405(a) amended section 334(b)(2) of the URAA by redesignating paragraphs (b)(2)(A) and (B) as paragraphs (b)(2)(A)(i) and (ii), and by adding two special rules at new paragraphs (b)(2)(B) and (C) that change the rules of origin for certain fabrics and made-up textile products.

Under section 334, certain fabrics, silk handkerchiefs and scarves were considered to originate where the base fabric was knit or woven, notwithstanding any further processing. As a result of the statutory amendment to section 334 effected by section 405 of the Act, the processing operations which may confer origin on certain textile fabrics and made-up articles were changed to include dyeing, printing and two or more finishing operations. In particular, the amendment to section 334 affected the processing operations which may confer origin on fabrics classified under the Harmonized Tariff Schedule of the United States (HTSUS) as of silk, cotton, man-made fibers or vegetable fibers.

On May 1, 2001, Customs published in the **Federal Register** (66 FR 21660), as T.D. 01–36, an interim rule amending
