

North and South Ranges, Inyo, Kern and San Bernardino Counties, CA.

Summary: EPA raised environmental concerns about potential impacts associated with past use of munitions containing depleted uranium (DU), potential impacts associated with continued or renewed use of DU munitions under any of the fully-evaluated alternatives, and the Navy's environmental restoration efforts to date for DU contamination. EPA also raised concerns about potential air quality impacts associated with the project's implementation, including emissions of air toxics, which can be potentially reduced with mitigation.
