

Departmental Regulation do not apply to this action.

In the September 3, 2002, **Federal Register** (67 FR 56264), GIPSA asked persons interested in providing official services in the geographic areas assigned to the official agencies named above to submit an application for designation. Applications were due by October 1, 2002.

Jamestown, Lincoln, Memphis, Omaha, Sioux City, and Tischer were the sole applicants for designation to provide official services in the entire area currently assigned to them, so GIPSA did not ask for additional comments on them.

and, according to Section 7(f)(1)(B), determined that Jamestown, Lincoln, Memphis, Omaha, Sioux City, and Tischer are able to provide official services in the geographic areas specified in the September 3, 2002, **Federal Register**, for which they applied. Interested persons may obtain official services by calling the telephone numbers listed below.

RUS will examine, provide comment, and return applications that include items that would disqualify them from further consideration for modification if they are submitted by April 2, 2003. Each application will be reviewed for completeness in accordance with 7 CFR part 1703, subparts D, E, F, and G. Ineligible applications will be returned within 15 working days of receipt.

Notice is hereby given that under 7 CFR 1703.124, 1703.133, and 1703.143, RUS has determined the maximum amount of an application for a grant that will be considered for funding in FY 2003 as \$500,000. The maximum

amount for a loan, generally, that will be considered for funding in FY 2003 is \$10 million. However, RUS may fund a project greater than \$10 million subject to the project's feasibility and the availability of loan funds.

Applications for financial assistance must be submitted in accordance with 7 CFR part 1703, subparts D, E, F, and G, which establish the policies and procedures for submitting an application for financial assistance.
