

- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

Background

The Corporation publishes application guidelines and notices of funding availability that include information about the funding and requirements. The application instructions provide the information, instructions and forms that potential applicants need to complete an application to the Corporation for funding.

The Corporation has developed an electronic grants system to meet the requirements of Pub. L. 106-107. As part of the development process, the Corporation is redesigning its application forms and instructions to reflect the electronic system design.

Current Action

The Corporation seeks public comment on the forms, the instructions for the forms, and the instructions for the narrative portion of these application instructions.
