## DEPARTMENT OF LABOR

### Employment and Training Administration

#### Proposed Collection; Comment Request

**ACTION:** Notice.

**SUMMARY:** The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently the Employment Administration is soliciting comments concerning the proposed extension with change of the

Standard Job Corps Center Request for Proposal and Related Contracting Information Reporting Requirements. A copy of the proposed information request (ICR) can be obtained by contacting the office listed below in the addressee section of this notice.

**DATES:** Written comments must be submitted to the office listed in the addressee section below on or before May 5, 2003.

**ADDRESSES:** Renee Evans, Office of Job Corps, 200 Constitution Avenue, Room N-4464, Washington, DC 20210. E-mail address: [raevans@doleta.gov](mailto:raevans@doleta.gov); Telephone number: (202) 693-3091 (This is not a toll-free number); Fax number: (202) 693-2767.

#### **SUPPLEMENTARY INFORMATION:** I.

*Background:* The Job Corps is an intensive, residential training program for economically challenged young people aged 16 to 24 who are out of school and out of work. Job Corps is authorized by Title I, Subtitle C, of the Workforce Investment Act (WIA) of 1998. WIA provides that up to 20 percent of the individuals enrolled in the Job Corps may be nonresidential participants. The program is principally carried out through a nationwide network of 118 Job Corps centers. The centers are located at facilities either owned or leased by the Federal Government. The Department has a direct role in the operation of Job Corps, and does not serve as a pass-through agency for this program. It is the Department's responsibility to establish Job Corps centers and to select operators for them. Of the 118 current centers, 28 are operated through interagency agreements by the Departments of Agriculture and Interior. These centers are located on Federal lands controlled by these two agencies. The remaining 90 centers are managed and operated by large and small corporations and nonprofit organizations selected by the Department in accordance with the Federal Acquisition Regulations, and in most cases through a competitive procurement process. Many of the current contractors manage and operate more than one center.

II. *Review Focus:* The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information,
