

CFR 160.202, "contrary" means that it would be impossible for a covered entity to comply with both the State and Federal requirements, or that the State law is an obstacle to accomplishing the full purposes and objectives of the Administration Simplification provisions of HIPAA.

The regulations also provide that a request to except a provision of State law from preemption under 45 CFR 160.203(a) must be submitted to the Secretary in writing. If the request is from a State, it must be submitted through its chief elected official, or his or her designee. The request must: (1) Identify the provision of State law for which the exception is requested; (2) identify the particular standard, requirement, or implementation specification for which the exception is requested; (3) specify the part of the standard or other provision that will not be implemented if the exception determination is made or the additional data to be collected based on the exception, as appropriate; (4) state how the exception determination would affect health care providers, health plans and other entities; and (5) the reasons why the State law should not be preempted, including how the contrary State law meets one or more of the specific criteria in 45 CFR 160.203(a). The Secretary may also request additional information that may be necessary for him to make the exception determination. See 45 CFR 160.204.

This notice establishes that, for the purposes of 45 CFR 160.204, exception determination requests should be addressed to the Director, Office for Civil Rights, Department of Health and Human Services, Mail Stop Room 506F, Hubert H. Humphrey Building, 200 Independence Avenue, SW., Washington, DC 20201.<sup>2</sup> To expedite handling, the envelope should also state: "ATTN: Exception Determination Request."

The Federal standard, requirement, or implementation specification remains in effect until an exception determination is made. When such determinations are made, we will promptly inform the public through publication of notice in the **Federal Register** and on the Department's websites, including the OCR Web site at [www.hhs.gov/ocr/hipaa/](http://www.hhs.gov/ocr/hipaa/).

<sup>2</sup>This notice identifies the address where all exception determinations should be submitted. The Secretary delegated to the Director of the Office for Civil Rights (OCR) the authority to make exception determinations as they may relate to the Privacy Rule. See 65 FR 82381. The Secretary, or his designee, shall make exception determinations with respect to requests concerning the other Administrative Simplification Rules.

The OCR Web site and the Web site for the Centers for Medicare and Medicaid Services, <http://www.cms.hhs.gov/hipaa/>, may also be consulted for more information about the Administrative Simplification provisions (including the Privacy Rule). In addition, answers to frequently asked questions about preemption and exception determinations will be available on the OCR website soon.

## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Office of the Secretary

#### Office of Budget, Technology and Finance; Statement of Organization, Functions, and Delegations of Authority

Part A, Office of the Secretary, Statement of Organization, Functions and Delegations of Authority for the Department of Health and Human Services (HHS) is being amended as follows: Chapter AM, Office of Budget, Technology and Finance, as last amended at 66 FR 55666-55678, dated October 26, 2001. This reorganization will help streamline Office functions and better support the Office's ability to meet the goals of the President's Management Agenda.

The changes are as follows:

1. Under Part A, "Office of the Secretary," delete Chapter AM in its entirety and replace with the following:

#### A. Chapter (AM) Office of Budget, Technology and Finance

*Section AM.00 Mission.* The mission of the Office of Budget, Technology and Finance (OBTF) is to provide advice and guidance to the Secretary on budget, financial management, and information technology, and to provide for the direction and coordination of these activities throughout the Department.

*Section AM.10 Organization:* The Office of Budget, Technology, and Finance is headed by the Assistant Secretary for Budget, Technology and Finance (ASBTF). The Assistant

Secretary for Budget, Technology, and Finance is the Departmental Chief Financial Officer (CFO), and reports to the Secretary. The office consists of the following components:

- Immediate Office of the ASBTF (AM)
- Office of Budget (AML)
- Office of Information Resources Management (AMM)
- Office of Finance (AMS)

#### Section AM.20. Functions

1. *Immediate Office of the Assistant Secretary for Budget, Technology, and Finance/Chief Financial Officer (AM).* Provides executive direction to OBTF components. The ASBTF is the principal adviser to the Secretary on all aspects of budgetary and financial management and information technology. By delegation from the Secretary, the ASBTF/CFO exercises full Department-wide authority of the Secretary in the assigned areas of responsibility to include all responsibilities provided by the Chief Financial Officers Act of 1990. This includes the approval of the job descriptions and skill requirements, and the selection of OPDIV CFOs as well as participation with the OPDIV Head in the annual performance plan/evaluation of the OPDIV CFO. In addition, the ASBTF/CFO provides Department-wide policy guidance on the qualifications, recruitment, performance, training, and retention of all financial management personnel. The ASBTF manages the Chief Information Officer (CIO) and the CIO's fulfillment of all functional responsibilities included in the Clinger-Cohen Act.

2. *Office of Budget (AML).* The Office of Budget is headed by a Deputy Assistant Secretary for Budget. The Office: (1) Advises and supports the Secretary and the Assistant Secretary for Budget, Technology and Finance/CFO and oversees the preparation of the Departmental budget estimates and forecasts resources required to support programs and activities of the Department; (2) analyzes budgetary and financial management implications of new or proposed legislation, programs or activities; (3) appraises program activities and operations in terms of policies, goals and objectives of the Department; (4) operates HHS' integrated funding system; (5) recommends and administers policies and procedures for allocation and control of employment ceilings; (6) develops and executes Department-wide procedures relating to implementation and management of the Government Performance and Results Act (GPRA); (7) responsible for the Office of the

Secretary activities under the Paperwork Reduction Act; (8) with particular reference to the Office of the Secretary (OS), works closely with the Office of the Assistant Secretary for Administration and Management (OASAM) in coordinating and consolidating the OS budget; (9) works closely with OASAM in OS budget operations, the development of budget policy and management of positions and financial resources for the OS; and (10) reviews proposed recommendation on draft regulations and proposed legislation.

3. *Office of Information and Resources Management (AMM)*. The Deputy Assistant for Information Resources Management (DASIRM), who is also the HHS Chief Information Officer, heads the Office of Information Resources Management (OIRM). OIRM provides the Secretary and the Assistant Secretary for Budget, Technology, and Finance (ASBTF) with strategic planning, information resources management and technology policy, architecture, investment review, and Office of the Secretary (OS) computer operations management support. More specifically, OIRM, in collaboration with the HHS agencies and Staff Divisions; (1) develops and updates the Information Technology Five Year Strategic Plan; (2) develops and coordinates information resources management policies applicable across the Department and the Office of the Secretary, including the creation, handling, storage, dissemination, and disposition of information; (3) leads the development and implementation of an enterprise information infrastructure across the Department; (4) manages risks associated with major information systems and information technology; (5) evaluates major investments in information technology, and is responsible for their subsequent periodic review; (6) guides and oversees the development of information systems and communications networks; (7) leads e-government activities; and (8) provides data processing and communications equipment for the Office of the Secretary and participating HHS agencies, and implements, operates, and maintains standards office automation applications running on the OS network.

4. *Office of Finance (AMS)*. The Office of Finance is headed by the Deputy Assistant Secretary for Finance who is also the Deputy Chief Financial Officer. The Officer of Finance: (1) Advises and supports the Secretary and the Assistant Secretary for Budget, Technology, and Finance/CFO on all aspects of financial activities across the Department; (2) as

directed by the Secretary, oversees the design and implementation of a unified financial management system for the Department consisting of two major components: the Healthcare Integrated General Ledger Accounting System (HIGLAS) at the Centers for Medicare and Medicaid Services (CMS) and a system for the rest of the Department; (3) coordinates CFO activities and reports throughout HHS, including the preparation of audited financial statements and the preparation of the annual CFO report for submission to the OMB and Congress; (4) in coordination with other ASBTF components, participates in the clearance/approval process for program information systems that provide financial and/or program performance data which are used in financial statements; (5) provides advice to the ASBTF/CFO on approval of the job descriptions and skills requirements for OPDIV CFOs and on the approval of the selection of OPDIV CFOs; (6) provides advice to the ASBTF/CFO who participates with each OPDIV Head in the annual performance plan/evaluation of the OPDIV's CFO; (7) provides advice to the ASBTF/CFO on the qualifications, recruitment, performance, training and retention of all financial management personnel; (8) serves as the Departmental liaison with GAO, OMB, Treasury, and other Federal agencies on financial matters; (9) maintains Departmental finance and accounting standards; (10) resolves monetary findings involving management systems; (11) directs regional review of cost allocation activities; (12) ensures compliance with the Departmental reporting requirements of the Federal Managers Financial Integrity Act (FMFIA); (13) establishes Departmental policy in the management of Inspector General reports and audits; and (14) manages the day-to-day finance and accounting activities of the Office of the Secretary and other Departmental components as determined by the ASBTF/CFO.

2. *Office of IT Policy Development & Implementation (OITP)*—The Office of IT Policy Development & Implementation is primarily responsible for IT policy development, capital planning, IT budgeting and investment control, Paperwork Reduction Act activities, and IT planning and review. The Office performs the following functions:

a. Works with OPDIV Chief Information Officers (CIOs) to support Government-wide initiatives of the Federal CIO Council and to identify opportunities for participation and consultation in information technology projects with major effects on OPDIV program performance.

b. OITP provides leadership in the planning, design, and evaluation of major Departmental projects and

oversight throughout project rollout and perform post implementation performance assessments.

c. Assesses risk that major information systems pose to performance of program operations and administrative business throughout the Department, develops risk assessment policies and standard operating procedures and tools, and uses program outcome measures to gauge the quality of Departmental information resources management.

d. Coordinates the Department's strategic planning and budgeting process for information technology, and provides direct planning development and support to assure that IRM plans support agency business planning and mission accomplishment.

e. Coordinates the activities of the Departmental Information Technology Investment Review Board (ITIRB) in assessing and prioritizing the Department's major information systems, and in analyzing and evaluating IT investment decisions. Reviews OPDIV ITIRB implementations, IT capital funding decisions, and use of performance metrics to evaluate program for both initial and continued funding.

f. Develops policies and guidance on information resources and technology management, including telecommunications, as required by law or regulation or to fulfill CIO responsibilities and Departmental initiatives.

g. Coordinates and supports the Department's Chief Information Officer's Advisory Council, whose membership consists of Chief Information Officers from OPDIVs.

h. Representing the Department through participation on interagency and Departmental work groups and task forces, as appropriate.

i. Working with OPDIV Chief Information Officers to identify opportunities for administering information management functions and telecommunications initiatives with major effects on OPDIV performance. OITP provides leadership primarily in defining alternatives for acquisition of telecommunications services and coordinating implementation of information management initiatives in conjunction with the Chief Technology Officer and the Department Architect.

j. Managing, in accordance with the Paperwork Reduction Act of 1980, as amended, the OS activities related to the review and approval of all public use reports and record-keeping requirements that impose a paperwork burden on the public. Developing policies for and managing the OS

Information Collection Budget. Developing policies and procedures for the OS and carrying out analyst and oversight activities related to the Department's paperwork burden reductions efforts.

k. Approving and reporting on computer matching activities as required by law through the Departmental Data Integrity Board.

l. Managing the Departmental printing management, records management, and mail management policy programs.

m. Providing support for special priority initiatives identified by the CIO.

3. *Office of OS IT Development and Services*—The Office of OS IT Development and Services is responsible for providing Network Services, Help Desk Services, OS Security, Secretary's Command Center and Continuity of Operations Planning (COOP) support, and OS Outreach/ Customer Relationship Management (CRM). It is directed by the CIO for the Office of the Secretary. It is also a primary resource for advising the CIO on technology implementation, and for piloting CIO special programs. The Office of OS IT Development and Services is responsible for the following:

a. Operating, maintaining, and enhancing the OS computer network and services, including services for participating HHS organizations.

b. Implementing and monitoring network policies and procedures, and developing plans and budgets for network support services.

c. Identifying, implementing, and maintaining standard office automation applications running on the OS network.

d. Ensuring reliable, high-performance network services.

e. Implementing and operating electronic tools to enhance Secretarial communications with all HHS personnel.

f. Coordinating with the STAFFDIVs to develop the OS IT capital planning and budgeting processes, providing direct planning support to assure that IRM plans support agency business planning and mission accomplishment.

g. Implementing policies and guidance on information resources management within the Office of the Secretary for acquisition and use of information technology, development of architectural standards for interoperability, and coordination of implementation procedures.

h. Maintaining and operating the inventory of automated data processing equipment for the Office of the Secretary.

i. Operating and maintaining an information technology support service

(Help Desk) for participating HHS components.

j. Managing contracts for equipment and support services related to the provision of IT services in OS and participating agencies.

k. Chairing and supporting the Office of the Secretary Information Resources Management Policy and Planning Board, an advisory body whose membership consists of the Staff Division Chief Information Officers.

l. Representing OS and/or the Department through participation on interagency and Departmental work groups and task forces, as appropriate.

m. Responsible for OS compliance with and implementation of all applicable Federal Laws regarding IT Security.

4. *Office of HHS Enterprise Operations*—The Office of Enterprise Operations is responsible for Applications Development and OIRM Business Operations. The Office advises the CIO and OIRM managers on all administrative functions and activities, and coordinates the strategic planning and budgeting processes for information technology, operations and administrative management for the Office of Information Resources Management. The Office coordinates e-government efforts across the Department, and provides recommendations regarding funding of e-government efforts, strategies on agency-specific system integration, and reviews new projects for possible redundancy with existing e-gov initiatives. It coordinates Department enterprise applications with the Chief Department Architect and Chief Technology Officer. The Office is responsible for the following:

Leading Departmental efforts to expand the availability of electronic means for conducting business.

a. Coordinates HHS activities that support the President's Management Agenda's objective for E-Government.

b. Coordinates planning and task tracking across OIRM to ensure effective utilization of staff and other resources.

c. Prepares, manages, integrates and coordinates budget formulation, presentation and execution with respect to the Office of Information Resources Management. Conducts analyses of budget implementation for both the DASIRM. Identifies IT budget related cross-cutting issues that cross-cut the OPDIVs and STAFFDIVs.

e. As directed by the DASIRM, prepares staffing forecasts, analyzes staffing requirements and utilization, and recommends strategies for changes in human capital for OIRM.

f. Oversees full life-cycle of OIRM contracts. Works with HHS contracting organizations, contractors and other parties to ensure that contractual transactions are substantively correct, and to track completion of tasks.

g. Oversees and manages employee performance improvement programs to develop and maintain the technical expertise and qualifications of employees in OIRM.

h. Coordinates and directs the Department's IT systems in compliance with Section 508 of the Rehabilitation Act (1973).

5. *The Office of HHS Security Development and Implementation*—The Office of HHS Security Development and Implementation is responsible for developing, implementing and administering the program to protect the information resources of the Department. This includes management and oversight of activities under the Government Information Security Reform Act (GISRA), IT critical infrastructure protection (CIP), and Department-wide security contracts and high level project management of OPDIV security programs, such as corrective action plans and security policies. The Office is responsible for the following:

a. Implementing and administering the program to protect the information resources of the Department in compliance with legislation, Executive Orders, directives of the OMB, or other mandates requirements (e.g., the Clinger-Cohen Act, Presidential Decision Directive 63, OMB Circular A-130), the National Security Agency, and other Federal agencies.

b. 3. *Program Management and Systems Policy Office (AMS4)*. The Program Management and Systems Policy Office has the following components:

- Program Management Office (AMSA)
- Division of Accounting and Fiscal Policy (AMS41)
- Division of Financial Systems Policy (AMS42)

a. *Program Management Office (AMSA)*. The Office is responsible for overseeing the design and implementation of a department-wide unified financial management system (UFMS) consistent with the Secretary's directive. The system consists of two major components: the Healthcare Integrated General Ledger Accounting System (HIGLAS) at the Centers for Medicare and Medicaid Services (CMS) and a system for the rest of the Department. The office's responsibilities include:

(1) Overseeing the design, development, and implementation of

the UFMS and the development of life-cycle and budgetary plans;

(2) Monitoring the milestones and schedules as well as budget expenditures;

(3) The meditation and coordination of UFMS activities throughout all levels of HHS;

(4) Ensuring that the UFMS complies with applicable Federal accounting concepts and standards, as well as all HHS accounting policies and procedures;

(5) Ensuring that business requirements are met, the future direction of the initiative is consistent with HHS planning, and the status of the project is appropriately communicated to internal and external organizations;

(6) Overseeing a comprehensive program of change management that includes addressing department communication, training plans and human resource issues;

(7) Coordinating with workgroups to maximize the input from the cross-functional areas of HHS into the implementation process; and

(8) Overseeing all risk management plans to ensure that risks to the Program are identified and effective mitigation strategies developed.

b. *Division of Accounting and Fiscal Policy (AMS41)* The Division:

(1) Develops uniform business rules, data standards and accounting policy and procedures in support of new financial systems implementations. Ensures the development of ongoing accounting policy that further supports the consistent development and implementation of these systems;

(2) In collaboration with the Office of Financial Policy, provides advice and assistance to OPDIVs and STAFFDIVs on financial accounting and related fiscal matters, and advises the DASF on such matters as they related to financial systems implementations; and

(3) Maintains liaison with the Office of Management and Budget (OMB), the Treasury Department, the General Accounting Office (GAO), and other agencies on accounting and fiscal years matters as they relate to financial systems implementations.

c. *Division of Financial Systems Policy (AMS42)* The Division:

(1) Develops department-wide policies and standards for financial and mixed financial systems;

(2) Provides advice and serves as the focal point with OMB, Treasury, GAO and other Federal control agencies on financial systems compliance matters;

(3) Provides for the establishment of Department-wide financial definitions and data structures;

(4) Provides for the administration of a data integrity and quality control program to ensure compliance with applicable Federal directives, Departmental financial systems policy and automated financial data exchange requirements;

(5) Oversees and monitors existing Department-wide and component accounting and financial management systems;

(6) In collaboration with the Office of Financial Policy, advises the DASF on financial systems related matters; and

(7) Maintains liaison with the OMB, Treasury, GAO and other agencies on matters involving financial systems.

4. *Office of Audit Resolution and Cost Policy (AMS5)*. The Office of Audit Resolution and Cost Policy provides leadership in the areas of resolving cross-cutting audit findings and managing cost policy. The Office has functional responsibility for cost principles and Department-wide cost policies and procedures affecting grants and contracts. It performs the following functions.

a. Serves as the Departmental liaison and maintains working relationships with OMB and other Federal agencies in the development of government-wide cost principles and Department-wide audit resolution policies; maintains similar relationships with associations of State, universities and other grantee and contractor organizations;

b. Reviews and resolves audit reports containing monetary and/or systemic findings of grantee and contractor organizations affecting the programs of more than one Operating or Staff Division or Federal agency. Conducts or arranges for additional reviews as needed;

c. Coordinates where necessary with other affected Federal agencies to establish a uniform Federal position on the actions needed to be taken and negotiates resolution on behalf of all Federal Departments and agencies;

d. When deemed necessary to protect the interests of the Department, makes recommendations to the Secretary, the ASBTF and other officials on safeguards or other actions against a grantee or contractor, where the organization is unwilling or unable to correct serious deficiencies in a timely manner;

e. Provides and arranges for technical assistance and/or training programs to grantee, contractors, and other Operating and Staff divisions on audit resolution, cost reimbursement and financial management of grants and contracts;

f. Upon request, reviews and approves accounting or other systems developed

by grantees and contractors to meet Federal cost principle requirements;

g. Establishes and monitors policy regarding audit issuance, follow-up and resolution for the Department in support of the function of the HHS audit followup official as required by OMB Circular A-50;

h. Coordinates status of final action on OS audits with the ASBTF Office of Budget; and

i. Prepares Management Report and Final Action for the Performance and Accountability Report.

*II. Delegation of Authority*—All delegations and redelegations of authority made to officials and employees of affected organizational components will continue in them or their successors pending further redelegation, provided they are consistent with this reorganization.
